A Worshipper's Character
Session 8

2. The wilderness is where you are humbled.

   You are humbled when your lack of character is_____.

   Test, trials and tribulation do not build character, they only reveal it.

   Character is not made in crisis—it is only exhibited.

3. The wilderness is where you are tested.

   Think about your schooling. Did taking a test make you smarter? No, it only revealed your lack of knowledge.

   God's test are not lessons in character, they are character put to the test.

   Four things to remember about a test:

   1. You are only tested on what you have been taught.
   2. The teacher never _____ during the test.
   3. Students don't _____ during the test.
   4. The test is an open-book test!

II. The Reward

Hebrews 11:13 (NIV)
All these people were still living by faith when they died. They did not receive the things promised; they only saw them and welcomed them from a distance. And they admitted that they were aliens and strangers on earth.
Story of Bill Cowher

The _____ is the reward.

If you get to the promise without the process, you will not have the character to sustain you and you will fall.

The journey is the true reward because it is in the process that we develop the Christ-likeness we need to walk in the promises He has given us.
