12 HONOR YOUR PASTOR

BEST PRACTICES

Your pastor is the one sitting in the front row thinking about the message they're about to preach instead of engaging in the worship time! Do whatever it takes to support, submit to, and serve this obedient saint, carrying the spiritual responsibility for the discipleship of your church.

Honor your pastor with prayer, and be willing to take direction. God will bless your deference and humility as you lead alongside the one God called to lead the church.
