ALGO QUEEN

The Girls' Programming Cup 2023

icpc.foundation | icpc

We are excited to welcome you to ICPC Algo Queen 2023, hosted by Amrita University and sponsored by IBM Quantum and UNICEF. Our goal is to empower female students to participate in international coding competitions after providing them with specialised training and educational workshops, allowing them to participate flexibly, meet community leaders, improve algorithmic skills, and earn credentials.

ELIGIBILITY

School Girls: 8th - 12th Grade

College Girls: Pursuing bachelor's degree
*Should have knowledge of any programming language (C/C++/JAVA/Python)
