GLS Portugal New Website

Venda do Pinheiro, 12 January 2015. With the launching of the new website version, GLS Portugal stays in line with the GLS Group online look & feel, and now offers to its customers a modern online navigation experience, with functionalities such as geographical search of ParcelShops, improved track & trace functionalities including App versions for Mac and Android, among other capabilities which will potentiate the setup in Portugal of additional tools, specially for B2C deliveries which the electronic commerce market demands.

GLS Portugal, a subsidiary of General Logistics Systems B.V, delivers parcels and pallets with high Quality and Security, as also added value related services, in Continental Portugal and Islands.

The GLS Group in Europe

GLS, General Logistics Systems B.V. (headquartered in Amsterdam), realizes reliable, high-quality parcel services for 220,000 customers in Europe, complemented by logistics and express services. "Quality leader in European parcel logistics" is GLS guiding principle. In this context, sustainability is emphasized at GLS: its Europe-wide ThinkGreen Initiative bundles activities aimed at protecting the environment. Through wholly owned and partner companies, the Group provides a network coverage of 37 European states and is globally connected via contractual agreements. 37 central transshipment points and 667 depots are at GLS disposal. With its ground based network GLS is one of the leading parcel service providers in Europe. About 14,000 employees handle 380 million parcels per year. Every day around 18,000 vehicles are on route for GLS. In the financial year 2012/13 GLS achieved revenues of 1.84 billion euros.
