

SÉURA MIRRORS CAPABILITIES

Help Guests Use Your Mirrors

These instructions are recommended for use in signage on the bathroom mirror, vanity countertop, or in-room guest book to help guests operate Séura's in-mirror technology.

How to Use Your Mirror

Turn On Lights

Tap to turn on/off
Press and hold to dim

Adjust Light Color

Tap to adjust to presets
Press and hold to gradually adjust

Re-using your towel?
Hang it up to save water.

Power/Dimming

Tap the in-mirror button to turn the lights on and off. Gently touch and hold to gradually adjust brightness. Lift your finger off to stop at your desired setting.

Color Temperature

Tap to quickly advance to pre-set temperatures or touch and hold to gradually adjust. Lift your finger off to stop at your desired setting.

Defogger

One tap turns the defogger on and off.
The button illuminates to indicate the defogger is on.

Night Light

One tap turns the night light on and off.
