

SÉURA TV MIRRORS

# Mirror Walls

Enjoy entertainment without compromising on design. Séura TV Mirrors are created to reflect your style, not distract from it. A high performance TV when on, a stunning mirror when off.

**IDEAL SPACES**

Fitness Rooms  
Great Rooms  
Bars  
Restaurants  
Lobbies

**MIRROR WALL ORIENTATION**

Combine multiple mirrors in a horizontal or vertical orientation (no mixing vertical and horizontal planes).

**MAXIMUM MIRROR SIZE**

Design your mirror wall with multiple mirrors, up to 70" w x 94" h or 94" w x 70" h.

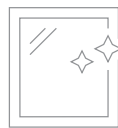

**LONG-LASTING MIRRORS**

Séura's copper-free mirror glass with UV protection is not susceptible to black edge corrosion caused by ammoniated cleaners and humid environments.

**VANISHING TELEVISIONS**

Séura's vanishing glass allows the TV to completely disappear when turned off. High brightness television panels and specially formulated mirror glass allows the brightest picture to shine through.

**COMPLETE SOLUTION**

Séura mirrors undergo an intensive manufacturing process to deliver the perfect designer mirror. Your mirrors ship fully assembled with all technology incorporated, including TVs, lighting, and any other technology upgrades specified.

**CUSTOM OPTIONS**

Choose mirror sizes, specify TV location within the mirror, incorporate Séura's industry-leading COB LED lighting, customize with technology upgrades and more, available via our custom quote form.
