

SÉURA MIRRORS

Concerto

Elevate your space with sleek design and touch-control dimming, effortlessly adjusting brightness to suit your mood. Say goodbye to foggy reflections with the built-in defogger, ensuring crystal-clear visibility even in steamy environments. Crafted with quality and style in mind, Concerto Lighted Mirrors redefine your routine with a perfect blend of form and function.

Face Framing Light

Delivering 3400K color temperature for a bright, crisp white light ideal for bathroom tasks. Perfectly frames the face and eliminates unwanted shadows from overhead lamps and sconces.

Brightest in its Class

See yourself clearly and accurately with high-quality LED lighting – 2 times more lux output than closest competitors.

Easy to Install

Mounting brackets included for easy installation. Detailed instructions and installation video provided. Drill and screwdriver required.

Touch Dimming

Adjust brightness from 10% to 100%, ensuring you see yourself in optimal lighting at any time of the day.

Touch Defogging

Integrated thermal defoggers quickly evaporate condensation, so your mirror remains clear and ready for use, even in humid conditions.

Sustainable

Energy-efficient long-lasting LED lights and recyclable packaging.

24" X 1.65"

Model: ILM-ECN-24X24-RD-T04

FEATURES & BENEFITS	5MM COPPER-FREE, CORROSION RESISTANT, SILVER GLASS MIRROR	Yes
