

SÉURA MIRRORS

# Fresco

Elevate your space with sleek design and touch-control dimming, effortlessly adjusting brightness to suit your mood. Say goodbye to foggy reflections with the built-in defogger, ensuring crystal-clear visibility even in steamy environments. Crafted with quality and style in mind, Fresco Lighted Mirrors redefine your routine with a perfect blend of form and function.

### Face Framing Light

Delivering 3400K color temperature for a bright, crisp white light ideal for bathroom tasks. Perfectly frames the face and eliminates unwanted shadows from overhead lamps and sconces.

### Brightest in its Class

See yourself clearly and accurately with high-quality LED lighting – 2 times more lux output than closest competitors.

### Easy to Install

Mounting brackets included for easy installation. Detailed instructions and installation video provided. Drill and screwdriver required.

### Touch Dimming

Adjust brightness from 10% to 100%, ensuring you see yourself in optimal lighting at any time of the day.

### Touch Defogging

Integrated thermal defoggers quickly evaporate condensation, so your mirror remains clear and ready for use, even in humid conditions.

### Sustainable

Energy-efficient long-lasting LED lights and recyclable packaging.
