Novus Environmental - Product catalogue

Welcome to our new product catalogue

At Novus Environmental, we stand for quality, as well as a personal and individual service. We have strong family values and believe our customers should receive the same level of service that we would expect for ourselves.

We thrive on developing, improving and enhancing our services and consumables to provide a solution that is totally suited to your precise needs.

Our product catalogue features the extensive range of consumable products, the purpose of which is to offer you a practical reference and the means of ordering that best suits you and your organisation.

How to contact us

You can contact the Novus Environmental customer services team either by telephone on **0844 770 0012** or fax to **01763 207766** to order your consumables.

If you can't see what you're looking for, call us today on **0844 770 0012** to see how we can help you.

Kind regards,

Customer services team
