

Mira Elite Dual SE

Pumped Electric Shower

 COLD GRAVITY SUPPLY  YEAR WARRANTY

Silent running pumped electric shower with dual outlet, designed for gravity fed systems on low pressure.

Product Information

Description	Colour	Product No.
Mira Elite SE Dual 9.8kW	White/Chrome	1.1941.003

Features & Benefits

Temperature control

Pressure stabilised temperature control

Easy to fit

Like-for-like replacement of older Elite models. Uses same footprint and screw holes as Elite ST and Elite QT

Slide bar can be fitted on the left or right of the shower unit

Easy to service

Mira Clean-flo™ filter to protect your shower from debris, keeping your shower in peak condition. Designed for easy-access and features built-in isolation for easy cleaning

For your customer

An integrated pump boosts your shower on a low pressure system

Dual Showering for a luxurious showering experience which you won't find on any other pumped electric shower: Switch between a 200mm deluge overhead or 90mm handshower using the clever diverter

Silent showering: So quiet that when the water is running you won't hear the pump. Quiet Mark™ approved – as awarded to products which make a huge difference to noise in the home

Continuously rated meaning you can run the shower for as long as you need. Perfect for large households
