ABOUT US

Greengate Trust's mission is deeply rooted in the Islamic values of mercy, sincerity, and service. Our dedicated teams work tirelessly to ensure that your donations reach those in the most challenging circumstances, making the greatest possible impact.

Whether responding to urgent crises abroad, supporting struggling families in the UK, or facilitating Sadaqah Jaariyah projects, we strive to fulfil the responsibility Allah SWT has placed upon us—to care for those in need.

BUILD A MASJID, LEAVE AN ONGOING SADAQAH JAARIYAH

Imagine a Village Without a Masjid!

No Jumu'ah prayers. No Taraweeh in Ramadan. No place for children to learn the Deen.

For the Muslims of Liaquatpur, Rahim Yar Khan, Pakistan, this is their reality. They travel miles to the nearest mosque, making daily prayers, community gatherings, and essential religious education incredibly difficult.

The elderly, the sick, and families with young children yearn for a sanctuary - a place to connect with Allah and their community.

BE THE CHANGE: BUILD A MASJID IN LIAQATPUR

For just £10,000, you can help build a Masjid that will provide a sacred space for prayer, learning, and unity. This Masjid will be more than just a building—it will be a community hub where the Deen can flourish, and every prayer and act of worship will send continuous rewards to you.

WHAT YOUR DONATION WILL PROVIDE:

- **A Place of Worship:** The Masjid will accommodate 160-200 worshippers, providing ample space for prayers, religious events, and community gatherings.
- **Essential Facilities:** Includes a courtyard for additional worship, a clean and functional Wudhu area, and much-needed toilet facilities.
- **Education and Growth:** The Masjid will host Qur'an classes for children, ensuring the next generation has access to vital religious education.
- **A Legacy of Sadaqah Jaariyah:** Every prayer, every Qur'an recitation, and every act of goodness within its walls will continue to benefit you for generations to come.

A TRUSTED PARTNERSHIP

This project is supported by Greengate Trust, whose dedicated team will oversee the Masjid's construction and ensure its long-term sustainability. We will manage the project from start to finish, providing regular updates and a full report upon completion.

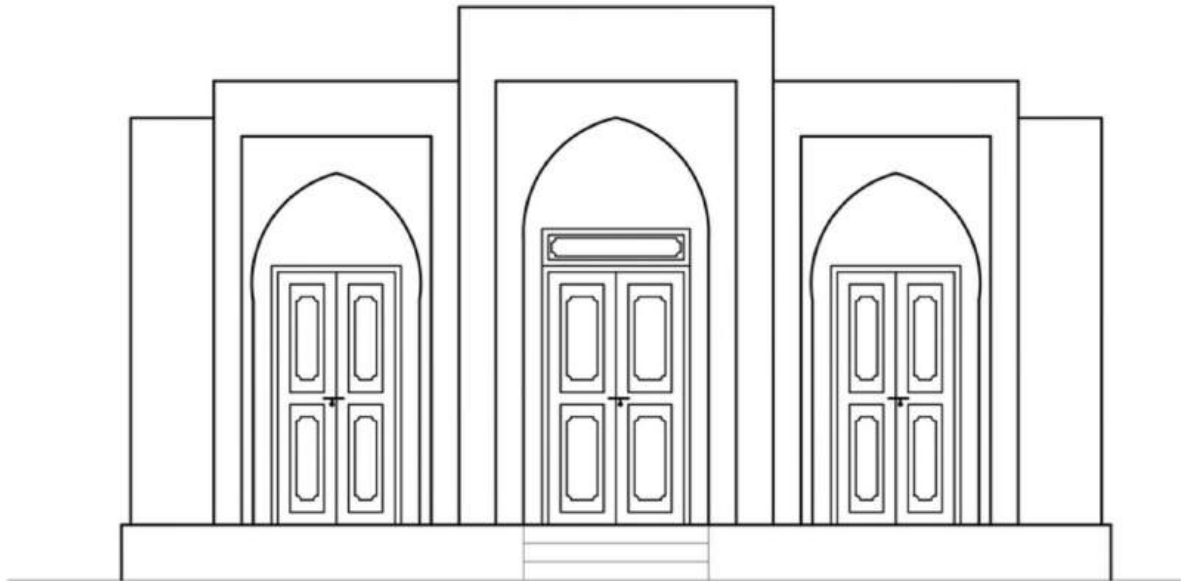

A LASTING IMPACT

The construction of the Masjid is estimated to take six months. Upon completion, it will serve as a beacon of faith and a source of hope for the entire community. This sacred space will foster spiritual growth, strengthen community bonds, and provide solace for generations.

LEAVE YOUR LEGACY

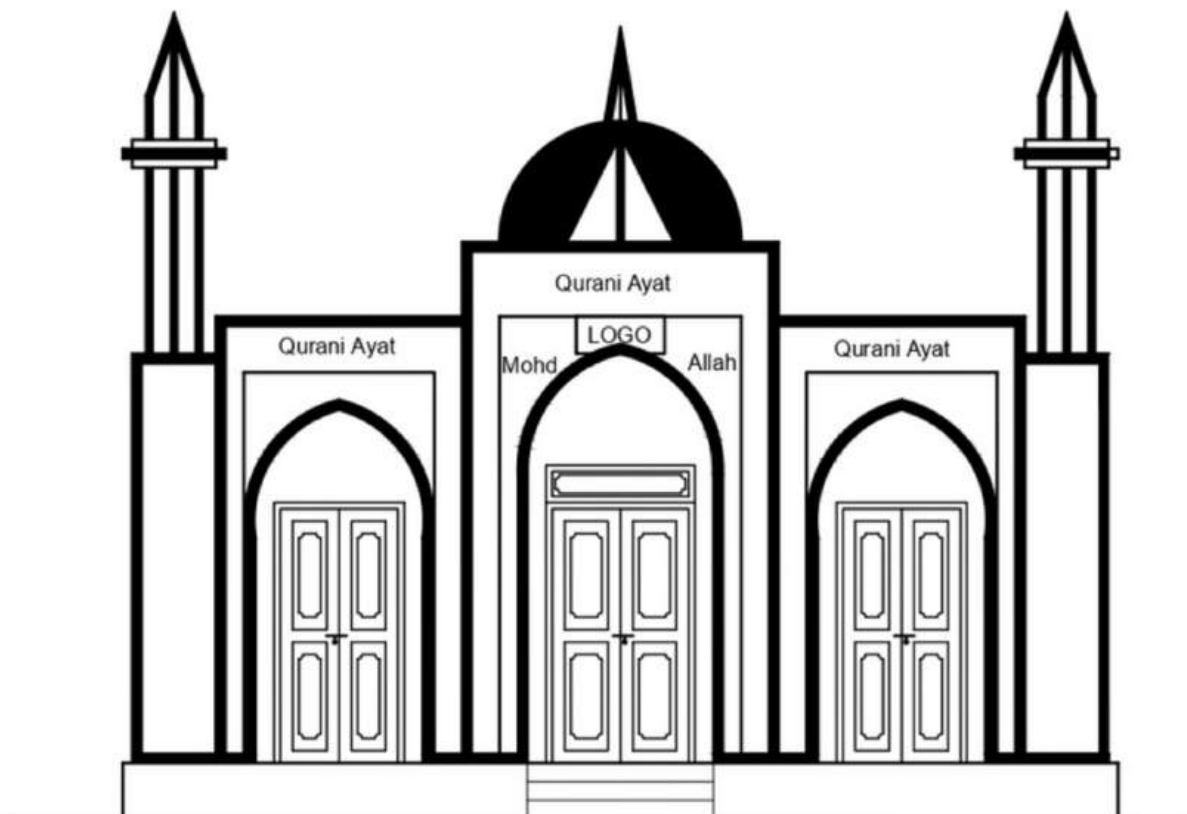

If you fund the complete project, a plaque bearing your name or the name of a loved one will be placed at the entrance, forever recognising your contribution to this blessed house of Allah.
