Taking the strain out of preparing job descriptions

Do you find the task of writing accurate and consistent job descriptions troublesome and time-consuming?

Through working closely with employers for 20 years, we have built up a library of thousands of job descriptions. Using our job evaluation experience, our Reward Experts have written up a suite of concise job descriptions for over 40 key roles, which are common across most employers and sectors. Each job description is also accompanied by pay market data, providing insight into what the market pays for each role.

The cost of this comprehensive service is £3,000 +VAT (£2,500 +VAT for not-for-profit employers) for the full suite of job descriptions, including the market data.

This comprehensive job description and benchmarking service includes:

Robust job descriptions

Written in a way that ensures they remain relevant in the long-term.

Over 40 key roles

Such as Head of IT, HR Business Partner, Finance Assistant and Receptionist.

Pay market data

Providing insight into what the market pays for each role.

Benefits data

Including market data for a wide range of benefits, such as company cars, private medical insurance, holiday entitlement and pension contributions.
