

Allens Caravans is a thriving family business which has come a long way since its foundation in the mid 1930's, and we're proud of our excellent reputation with our customers and colleagues within the caravan industry. The owners of Allens Caravans are not just faceless names but working Directors who can be found at Head Office or on the Parks looking after the running of the Company. We are proud members of both the 'National Caravan Council' and 'British Holiday & Home Parks Association' which are the leading bodies within the caravan industry ensuring the highest possible standards are delivered at our Parks, for the benefit of our customers.
