A message from Emaan Relief

It is our pleasure to welcome you to Emaan Relief. By the grace of Allah (ﷻ), despite various constraints and the persistence of COVID-19 worldwide, Emaan Relief has continued to strive for the betterment of those less fortunate, neglected and oppressed around the world.

Globally, countless individuals, families and communities are consumed by various forms of poverty and lack of security. This year, we have taken several pivotal steps in supporting and bringing relief to some of the most impoverished communities in Africa, Asia and the Middle East. Emaan Relief has delivered relief in the areas of education, water security, health,

shelter, emergency aid and built several safe places of worship. We also continue to work tirelessly with widows, orphans and refugees in Yemen, Bangladesh, Syria, Lebanon and Palestine.

Emaan Relief is not only committed in responding to emergency situations, but also to the prevention of these situations.

We would like to extend our gratitude to you all; our generous donors and volunteers, for your endless support and commitment to bringing relief to those most in need. Together, we will strive to end the perpetual cycle of poverty around the world, Insha'Allah.

Emaan Relief Foundation

Providing the best form of education to our children is at the heart of enabling them and their communities to **lead a path out of poverty**. Our children gain both an Islamic and National Curriculum education. Since the start of ERF we've had over **30 students that have memorised the Qur'an** and are now able to have self-sustainable living through teaching the Qur'an to others.

Through providing a safe environment of learning and living, we tackle child exploitation, instill confidence and **empower the children to create a lasting change within their communities**.

Educating children out of poverty

Emaan Relief was privileged to establish the Emaan Relief Foundation (ERF) in Bangladesh. The foundation educates **120 full-time students**, of which 45 live on-site. All students are safeguarded, nurtured and have their daily needs taken care of. Out of the **45 boarding students, 16 are orphans** and the remaining belong to extremely poor families. These students receive **3 nutritious meals per day**, and all their daily needs are met, such as clothes and hygiene which are catered to by 8 ERF staff members.

Foundation for
50 vulnerable
children & orphans

The Foundation Expansion

Emaan Relief began the Expansion of the Foundation at the start of Ramadan 2021. This expansion, which is due to be completed early 2022, will house **50** of the most **vulnerable and needy children**

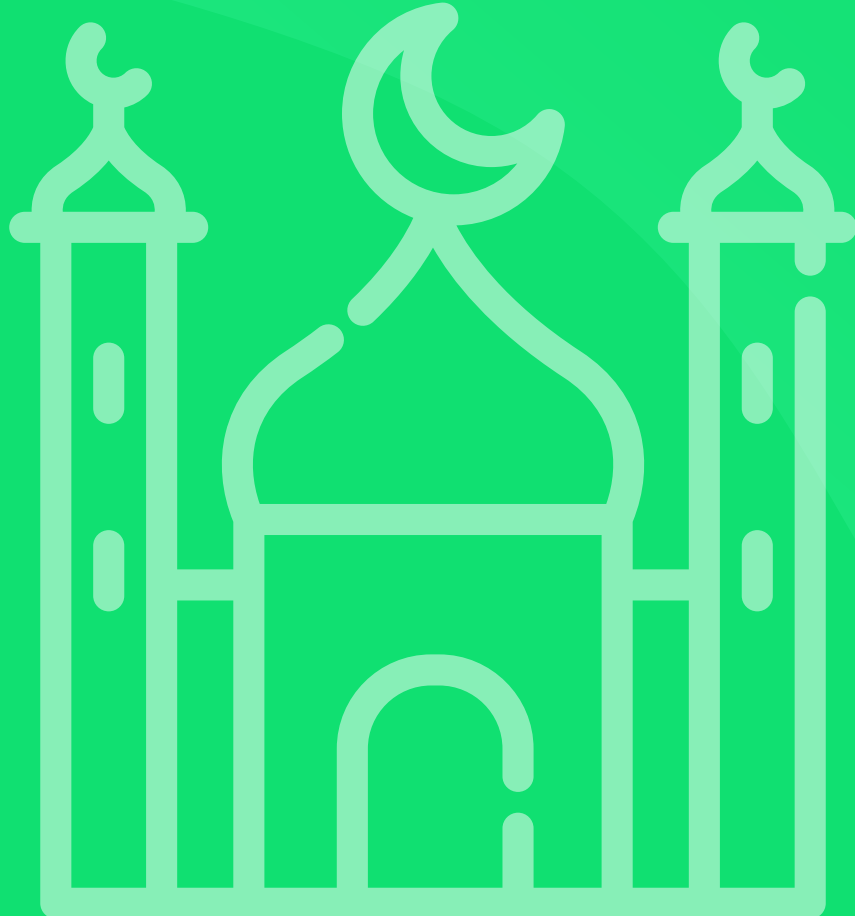

including orphans. Through our expansion, more students will also have the opportunity to enrol and look forward to a better future for themselves; as well as a safe and secure place to call their own.

The Messenger of Allah (ﷺ) said...

“Whoever builds a mosque, desiring thereby Allah’s (جَلَّالَهُ) pleasure, Allah (جَلَّالَهُ) builds for him the like of it in paradise.”

[Bukhari]

A Place of Worship

Emaan Relief aims to build safe and clean places of worship around the world for communities stricken by poverty. This year we have **built mosques in Indonesia, Tanzania, Central African Republic, Afghanistan, Uganda, Togo and Ghana.**

Tanzania

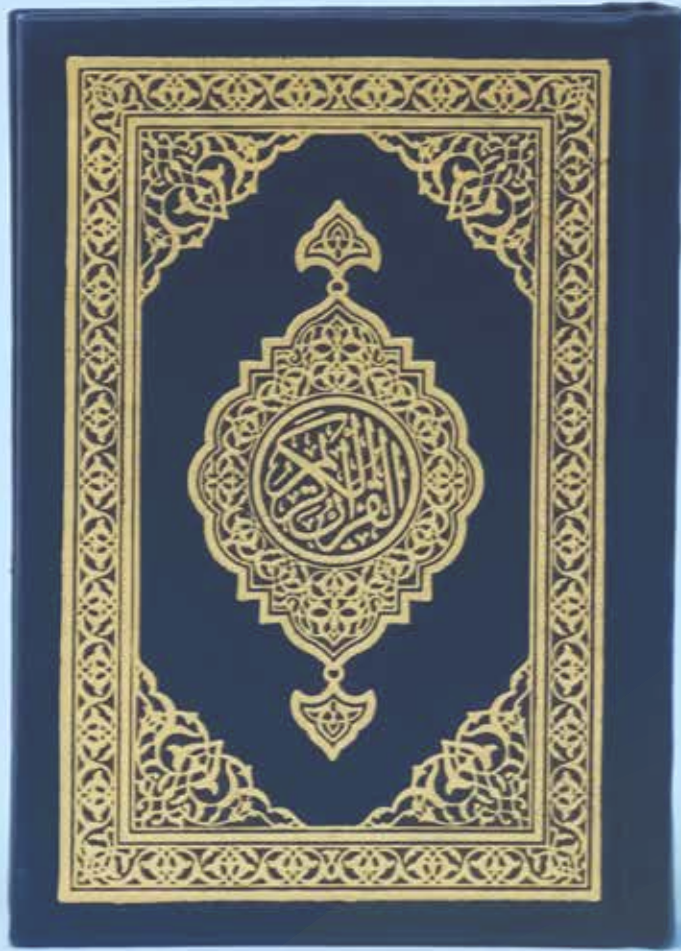

The mosques in these remote communities do not only **provide a safe and peaceful space of worship** but they also serve as a centre of learning where the community is able to gather and learn the Qur'an.

Uganda

Indonesia

United Kingdom

Qur'an Distribution

By the grace of Allah (ﷻ), alongside building mosques, we have started our Qur'an Distribution Program by providing 1,000 Qur'an's to an Islamic Center, London.

As Muslims, the words of Allah (ﷻ) Almighty revealed in the Qur'an plays a central and vital role in our guidance on this Earth and the hereafter. With your support, Emaan Relief aims Insha'Allah to ensure that the Qur'an reaches as many people as possible.

The Messenger of Allah (ﷺ) said...

“Whoever feeds a fasting person will have a reward like that of the fasting person, without any reduction in his reward.”

[Tirmidhi]

Ramadan

Food Packs

Despite the pandemic continuing to loom over the world, last Ramadan thousands of Muslims enjoyed the blessed month with your support. Across the Middle East, we distributed food packs in Yemen, Palestine and Syria. **Families struggling** to fend for themselves were able to **enjoy a nutritious iftar**.

Iftar Meals & Zakatul Fitr

Over **5,330** hot iftar meals were delivered to those struggling in Somalia, Mauritania, Lebanon and Syria. Alongside this, **4,161kg of rice** were distributed as Zakatul Fitr. This benefited **1,387** needy individuals in Syria.

Mozambique

Qurbani

Your annual sacrifice is much more than just fulfilling your Islamic obligation. Millions of impoverished families look forward to Eid Al-Adha as this is the only time they may be able to enjoy a meal which consists of meat. Your continued generosity ensures that these families are able to celebrate this blessed occasion with joy and loved ones. This year we distributed **161 sheep and 21 cows** on your behalf in Yemen, Mozambique and Malawi.

Displacement Across Syria

Restoring Dignity

The continued bombardment of Syria has caused millions to become refugees and internally displaced without a place of safe shelter. Emaan Relief has begun the **construction of a village of 70 homes** which consists of two bedrooms, a bathroom and kitchen. All of the houses will have **clean running water** generated from the wells built in the village. The village will also have a **mosque** which will serve the people as a **community center and school**. Insha'Allah with the help of Allah (ﷻ) we envisage a time where the dignity of the Syrian people will be restored.

Emergency Homes (Syria)

Electric Rickshaws
(Bangladesh)

Sustainable Development

In many parts of the world, a large number of people live in the most destitute and underprivileged areas unable to earn a livelihood for themselves and their families. **Our zakat project** enables them to **lift themselves out of poverty by providing them their own business to run**. Electric Rickshaws are one of the most reliable and widely used forms of transport in Bangladesh. Through saving the cost of petrol, the owner of this rickshaw is able to create a sustainable income and **provide food and education to their families**.

Orphans & Widows

Yemen

After many years of civil war the **children and mothers of Yemen** have been **plunged into** what has been described as the **worst humanitarian crisis in the world**. They have been left to face hunger, disease and endless conflict. The war has left **millions of women widowed and children orphaned**.

These families have little access to food and basic necessities. Emaan Relief provides **monthly food packs to these widows and orphans in order to ease their suffering**.

Fight Against Thirst

Help us end the shortage of clean water

Clean water is still a luxury for millions around the world. In the Sindh Province of Pakistan, where water is scarce, we have installed **370 water wells: 287 being handpumps, 72 tube wells and 11 solar wells.**

Due to the continued Covid 19 pandemic, clean water has never been more important. The handpumps and tube wells benefit several surrounding households along with their livestock and crops. Our solar wells **help sustain many families** and can be accessed by numerous villages including local farmers.

Seeing the joy of children and families once a water well is installed, is a feeling which cannot be expressed by words. With your generous donations, we are able to continue **putting smiles on the faces of these poor and needy children.**

Emergency Aid

The continuous blockage and bombardment of Gaza has left daily life to be unrecognisable. Most of the **Palestinians are now dependent on your generous aid for their survival.**

In order to continue our support in Gaza, Emaan Relief alongside 11 other charities and over 20 Mosques **raised over £435,000 in aid of the people of Gaza.**

Your donations allowed Emaan Relief to provide:

425 emergency food packs

48 water tanks

53 medical kits

to the most needy families and hospitals in Gaza.

Be with the Prophet (ﷺ) in Jannah
Sahl ibn Sa'd reported: The Prophet (ﷺ), said,

**“Myself and the caretaker of
an orphan will be in Paradise
like this,” and he held his two
fingers together.**

[Sahīh al-Bukhārī 5659]

Bringing Warmth Throughout Winter

In our winter appeal this year, we were fortunate enough to be able to bring **aid to the Syrian and Palestinian refugees** struggling in the harsh winter of Lebanon.

Given the economic crisis, which the country has struggled to fight over the past year, we were also fortunate **to come to the aid** of some of the **most needy Lebanese families** in Beka Valley, Lebanon.

In every conflict, **children are the hardest hit** and their suffering is one

of the most difficult things to witness. The escalating conflict in Syria, has left **countless children fatherless or parentless** which leaves them prone to poverty and in endless hardship.

This winter, we were able to **ease their suffering** slightly through the provisions of **food packs, heaters, mattresses, blankets, wellingtons, jackets, hats, gloves and scarves**. The deteriorating living conditions of the Syrian refugees is one which no human should endure. There is much work to be done.

Interacting with orphans and sharing their difficulties first hand, can be the hardest and yet the most rewarding aspect of being a volunteer.

Volunteering with Emaan Relief

Emaan Relief **volunteers are at the forefront** of our drive to **make a real difference** at home and on the ground abroad. Our staff and volunteers collaborate across our organisation in every aspect of our work.

Our volunteers are empowered to share their knowledge and skills in order to better **serve the most needy and impoverished communities around the world.**

Emaan Relief offers various opportunities from fundraising to being on the ground distributing the aid that you personally fundraised. **Building lifelong friendships with brothers from various backgrounds** and walks of life, is an opportunity of a life time.

Fulfilling Your Trust

Donations	Beneficiaries
Emergency Relief £70,403.94 Food Aid, Winter Supplies 	11,540
