Orphan Care is Our Responsibility

Here at GER, we feel that it is our responsibility as Muslims to look after vulnerable orphans as if they were our own children. Through our Sponsor an Orphan appeal, you have the chance to change a child's future for the better by giving them the start in life they deserve – all for **less than \$3 a day**.

Sponsor an orphan child in India, Pakistan, Palestine, Uganda or Bangladesh with us and watch as they grow up healthy, happy and full of hope. Your sponsorship will provide a child with everything they need to have a joyful childhood and the impact you'll make will have a ripple effect on the rest of their lives, transforming their futures into something beautiful! Starting your sponsorship today means a child gets a new start in life, so don't delay!

Faces of Our Beneficiaries

Sponsor an Orphan Child with GER

Follow the Prophet's (ﷺ) teachings and sponsor an orphan child with us. We take special care when it comes to our orphan sponsorships to assure that every child we look after feels safe and secure. You can sponsor an orphan with GER knowing that your sponsored child will always be happy and well cared for.

There are currently around **153 million** orphaned children in the world today. These children have tragically lost one or both of their parents and without support, they will struggle to break out of a life of poverty.

In addition to losing a beloved parent, many of these children are growing up in the midst of war, famine, disaster and disease, experiencing more hardships in their young lives than most of us could ever imagine. If we let them continue to suffer like this, are we truly servants of Allah S.W.T ?

Sponsor an orphan today to transform a child's life forever!

The Prophet, may peace and blessings be upon him, said

"I and the person who looks after an orphan and provides for him will be in Paradise like this,"

(putting his index and middle fingers together)

The Facts

“**If “orphan” were a disease it would be considered a worldwide epidemic.**”

Around the world, there are an overwhelming 153 million+ orphan children either in orphanages, foster care or roaming the streets. To give some perspective to the enormity of this number and crisis, this is greater than the entire population of Russia!

Is There a Cure to This Epidemic?

YES! It is our belief that there are millions of families around the world who would welcome a child into their home if they truly understood the nature of the crisis and if given the opportunity to simply meet some of these great kids firsthand. And while nobody can solve this problem alone, everyone can help ONE!

Caring for an orphaned child is one of the greatest deeds you can carry out in Islam and there are millions of children in need of your support today. Be there for them in their time of need.

The saddest thing about this epidemic is that it doesn't need years of research to find a cure – it **ALREADY** has a cure – called **sponsorship!** All that is required is for families to open their doors to a child in need.

6 Reasons to Sponsor A Child

Stepping up as a sponsor could be your chance to make a heartfelt and genuine difference in the world.

The Messenger of Allah (saw) said, 'The best house among the Muslims is the house in which orphans are well-treated. The worst house among the Muslims is the house in which orphans are ill-treated'.

[Bukhari]

Our Mission

It is GER's mission to provide a better standard of living and nourishment for these orphans in need. We are always looking out for sustainable solutions to create a much safer and better world for the orphans all across the globe.

Our Orphan Sponsorship and Hifz Orphan Sponsorship Program provides orphans with monthly funding for all their needs. As of now, we have sponsored 974 orphans from Palestine, Gambia, Senegal, Bangladesh, Indonesia, and many more other countries. 613 of these children are Hifz students, who memorise the Quran in addition to their regular studies. For the remaining 361 Non-Hifz students, they are given an opportunity to focus on their academic education.

Additionally, our Umrah for Orphans Program gives these orphaned children the chance of a lifetime to make the sacred pilgrimage to Makkah and see the Holy Land in person. So far since 2018, we have brought 192 orphans from Palestine and Jordan to carry out their Umrah.

Assalamualaikum Wr-Wb.

My name is Irwanda and I am a fifth grade student of an Elementary school. Thank you very much Global Ehsan Relief and my donor for your sponsorship. I used the money for buying new shoes, books, bag, uniform, etc. Next year I hope I can buy a bicycle, because I will need it to reach my Junior High School next year. The school is too far from my home so cycling would be easier for me rather than walking on foot. Dear donors please keep supporting me, I will always pray for you for a good life, health, and the happiness in this world and the after.
