## ROHINGYA REFUGEES

The plight of Rohingya refugees is slowly being forgotten by the world. Thousands of Rohingya families are facing hunger and struggling to survive at the refugee camps in Bangladesh.

The situation is serious: caught between extreme weather, shortage of food and basic necessities, as well as uncertainty about their future - the Rohingya refugees are still living in dire circumstances.

At the Balukali refugee camps in Cox Bazar, Bangladesh, together with our partners and volunteers, 2000 cooked meals were prepared and distributed to about 1000 recipients, comprising mostly of women and children. We also distributed food aid sets, sweets, and biscuits for Kindness Day and provided clean water supply for them.

Apart from that, we did a clothes distribution for the Rohingya refugee children. The boys and girls received punjabi suits and dresses respectively. This was made possible because of our Charity Recycle Drive in Singapore, where our donors generously donated their clothes.

In April, our team went to Jordan for the opening ceremony of the new school for Syrian refugees located at Ad-Dafyanah Refugee Camp in Jordan. This school will benefit about 65 students, aged 6-12 years old, from over 70 families.

Other than witnessing the opening of the new school, our team also did Clothes Distribution, Kindness Day, and Food Aid Distribution. 105 food sets were distributed in Ad-Dafyanah and 45 sets in Sabha RCs.

## SCHOOL CONSTRUCTION

Education is important; however many children do not have the opportunity to go to school to learn. In rural areas of developing countries, there is a severe absence of basic infrastructure and facilities.

We build schools so children can receive education in a functioning classroom. In Cambodia, 1 school was built, which will benefit more than 100 students.

## QURAN & IQRA DISTRIBUTION

There are more than 6000 blind muslims in Indonesia alone. Most of them are living in poverty.

This Ramadhan we distributed 300 braille digital Quran sets in 5 different districts in Aceh.

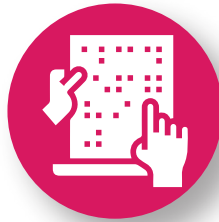

145 Quran sets were also distributed at Mahad Nurul Huda and Mahad Ar-Rahwah, Aceh Besar.

A wakaf program that brings immense rewards to both the beneficiaries and the donors.

# CARE FOR EDUCATION

## SCHOOL SUPPLY DISTRIBUTION

In some countries, parents cannot afford to purchase basic educational materials such as pencils, notebooks, bags and other stationery.

As a result, children lack the motivation to go to school. Their resources are limited, and they also lack funds and educational materials.

Global Ehsan Relief has helped to fulfil the wishes of some of these children to be able to study. We have distributed stationery sets and school uniforms in Cambodia.

## RAMADHAN FOOD AID DISTRIBUTION

Our Food Aid Distribution project has benefited many needy and under-privileged families in Southeast Asian countries, as well as in the Middle East. When Ramadhan is around the corner, our team distributes food aid packs to these families so that they have a supply of food items during the fasting period.

# OTHER PROJECTS

## KINDNESS DAY

It is a monthly event organised by Global Ehsan Relief and carried out in Singapore, Malaysia, Cambodia, Sri Lanka and Indonesia. We give away free food or other items such as ice cream, drinks, fruits, roses, and more to the public as a gesture to encourage everyone to be kind towards one another.

A simple act of kindness can go a long way. We reach out to people of different races and ethnicities and it warms our hearts to see the smiles and happiness on the faces of the recipients.

## HOME CONSTRUCTION

Can you imagine living in a house without a proper roof? Some people in developing countries do not even have a house at all. We believe everyone deserves a comfortable place to live in. We have constructed 1 house in Sri Lanka and refurbished 4 houses in Singapore.
