

ORPHAN SPONSORSHIP HANDBOOK

WELCOME TO YOUR JOURNEY OF COMPASSION

When you choose to sponsor an orphan through Global Ehsan Relief, you're not just making a donation – you're changing whole families' lives. There are two different types of sponsorships that we offer:

ORPHAN SPONSORSHIP PROGRAMME

- Cover their monthly expenses, including school fees and educational materials
- Ensure access to quality healthcare, including check-ups and necessary prescriptions

HIFZ ORPHAN SPONSORSHIP PROGRAMME

Your sponsorship will:

- Provide essential monthly support
- Empower the child to read, learn, and memorise the Holy Qur'an
- Reward them with an official certificate upon graduation

WELCOME PACK

All orphan sponsors will receive a Welcome Pack from us within 2-3 weeks, which includes:

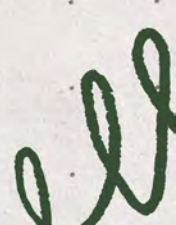

Orphan Profile

Contains pictures & background information of the orphan

Country Details

General information of the country they reside in

CHAPTER 1:

WALKING IN THE FOOTSTEPS OF OUR BELOVED PROPHET ﷺ

A Sacred Legacy

Our beloved Prophet Muhammad ﷺ was himself an orphan, and Allah reminds us of this beautiful truth: **"Did He not find you an orphan and give you refuge?" (Qur'an 93:6)** When you sponsor an orphan, you step into this sacred legacy of compassion that our Prophet ﷺ himself embodied.

Your monthly gift does more than provide food, education, and shelter—it revives a blessed Sunnah and opens a direct path to Paradise alongside our Prophet ﷺ.

The Prophet ﷺ said

"I and the guardian of an orphan will be in Paradise like this." (Putting his index and middle fingers together)

THE RIPPLE EFFECT OF YOUR KINDNESS

Every act of kindness toward an orphan creates waves of blessings that extend far beyond what we can see. Your sponsorship:

- ✓ Transforms a life from despair to hope
- ✓ Breaks cycles of poverty and illiteracy
- ✓ Builds bridges of love across continents
- ✓ Creates lasting change that echoes for generations

CHAPTER 2:

WHY YOUR HEART CALLED YOU HERE

The Reality We Face Together

Across our world, millions of children wake up each day without the safety net of parents to protect and provide for them. War has torn families apart. Poverty has claimed precious lives. Illness has left children orphaned and vulnerable.

Without intervention, these children face:

HUNGER

that stunts both physically and psychologically

EDUCATIONAL BARRIERS

that limit their potential

EMOTIONAL ISOLATION

that breaks young hearts

HEALTHCARE GAPS

that put their futures at risk

Your Sponsorship: A Lifeline of Love

For just **\$80 a month**—less than many of us spend on food—you provide a complete foundation for a child's future:

SAFE SHELTER & NUTRITIOUS FOOD

A secure place to sleep and healthy meals that fuel growing bodies and minds

QUALITY EDUCATION

Access to school, books, supplies, and the knowledge that opens doors to opportunity.

FAITH & GUIDANCE

Spiritual nurturing that builds character and provides life's moral compass.

ESSENTIAL HEALTHCARE

Regular check-ups, medications, and medical care when needed.

EMOTIONAL SUPPORT

The knowledge that someone, somewhere, believes in their dreams and potential.

CHAPTER 3:

YOUR SPONSORSHIP JOURNEY - FOUR BEAUTIFUL STAGES

STAGE 1: THE WELCOME HOME (MONTH 1)

Your adventure begins with a precious Welcome Pack containing:

- Your child's photograph and profile
- Details about their dreams, favorite subjects, and hobby
- Information about their family situation
- A heartfelt letter introducing you to your new sponsored child

This is the moment a child learns they're not forgotten—that someone across the world cares enough to invest in their future.

STAGE 2: WATCHING THEM GROW (ONGOING)

Throughout the year, you'll receive:

- **Annual progress reports** with photos and updates on school performance
- **Health check summaries** showing how your child is thriving
- **Personal milestone celebrations**— academic achievements
- **Community updates** about improvements in their local area

STAGE 3: BUILDING BONDS ACROSS OCEANS (ONGOING)

The most magical part of sponsorship is the connection:

- Write letters that become treasured possessions
- Send prayers that carry across continents
- Share simple joys of your daily life
- Receive updates that warm your heart and strengthen your faith

Impact Insight: Children who receive letters from their sponsors are 40% more likely to complete their education. Your words literally change lives.

STAGE 4: LAUNCHING INTO INDEPENDENCE (YEARS LATER)

The ultimate success—graduation day! When your sponsored child completes their studies or begins their career, you'll:

- Celebrate their achievements with a final report and photos
- Learn about their future plans and how sponsorship shaped their path
- Have the opportunity to begin again with a new child in need
- Carry the joy of knowing you helped write a success story

Success Story: 87% of our sponsored children graduate with improved literacy and numeracy. 65% pursue higher education or vocational training after leaving our care.

CHAPTER 4:

THE SPIRITUAL REWARDS OF SPONSORSHIP

Drawing Closer to Paradise

Caring for orphans holds a special place in Islam, bringing you:

Sadaqah Jariyah - Continuous Reward

Every prayer your child makes, every lesson they learn, every act of kindness they perform continues earning you rewards long after your sponsorship.

Barakah in Your Wealth

As our Prophet ﷺ taught us: "Charity never decreases wealth." Your generosity attracts Allah's blessings towards your own family and finances.

A Living Investment in the Hereafter

Your monthly sponsorship is more than charity—it's an investment account in Paradise that grows with compound spiritual interest every single day.

Closeness to the Prophet ﷺ in Jannah

Your place in Paradise will be alongside our beloved Prophet ﷺ.

Allah's Mercy Upon Your Family

When you show mercy to an orphan, Allah's mercy encompasses your loved ones.

CHAPTER 6:

VOICES OF HOPE -

STORIES THAT CHANGE EVERYTHING

When my father passed away, I thought my dreams died with him. The day I learned I had a sponsor, hope came back to life in my heart. Because someone believed in me, I stayed in school.

Today, I'm training to become a nurse so I can heal others the way sponsorship healed my broken dreams.

Amina from Indonesia

My sponsor didn't just give me food and school supplies—they gave me the chance to memorize the entire Qur'an. Now I lead prayers in my village and dream of becoming a Qur'an teacher. One day, I'll teach other orphans what my sponsor's love taught me.

Musa from Gambia

Education was slipping away from me like sand through my fingers. My sponsor caught those dreams before they fell. Today, I'm at the top of my class and want to become a teacher—so I can give other children what my sponsor gave me.

Rania from Lebanon

Words from the Heart - Our Sponsors

Sponsorship changed me as much as it changed my orphan. It gave me gratitude, humility, and unshakeable faith.

- Ahmad, UK

It's not just charity. It's a bond of hearts across oceans, proof that love recognizes no borders. — Nurul, Singapore

CHAPTER 7:

CONNECTING HEARTS - WRITING TO YOUR SPONSORED CHILD

Your Letters: Treasures Beyond Gold

Imagine being a child who has lost everything, then receiving a letter from someone who cares enough to write. Your letters become treasured possessions, read and re-read until the paper wears soft from loving hands.

TIPS FOR MEANINGFUL LETTERS

KEEP IT SIMPLE & WARM

- Share everyday moments—what you had for breakfast, a funny story, the weather
- Ask about their favorite subjects, hobbies, or animals
- Tell them you're proud of their progress and believe in their potential

WHAT TO INCLUDE

- Updates about your family/hobbies (appropriate details)
- Encouragement about their studies
- Simple expressions of care: "I think of you in my prayers"
- Cultural exchanges: "In my country, we celebrate..."

WHAT TO AVOID

- Overly personal details about your life
- Promises of visits or additional gifts
- Sensitive topics about politics or conflicts
- Comparisons with other children

HOW TO SEND

Email your letters to:

info@global-ehsan-relief.org

We'll translate if needed and ensure safe delivery to your child.

*The Impact: Children who receive regular letters are **40% likely to finish school** and show higher self-esteem and motivation.*

CHAPTER 8:

GOING ABOVE AND BEYOND - EXTRA MILE GIVING

Special Gifts That Create Miracles

Beyond your monthly sponsorship, you can occasionally send monetary gifts that meet unique needs:

1 EDUCATION SUPPORT
Extra tutoring, school supplies, or exam preparation

EMERGENCY NEEDS
Medical care, clothing, or temporary family support

3 VOCATIONAL TRAINING
Extra skills to ensure a smoother future transition to adulthood

OPPORTUNITY CREATORS
Tools, equipment, or resources for small family businesses

A Story of Transformation

Sarah, a sponsor from Singapore, once sent an extra \$200 gift to help her sponsored child's mother buy a sewing machine. Today, that mother runs a successful tailoring shop, supports her three children, and has hired two other widows from her village. One gift created a ripple of prosperity that continues growing.

[Musnad Ahmad]

CHAPTER 10:

WHEN CHILDREN SPREAD THEIR WINGS

CHAPTER 11: MULTIPLYING YOUR HEAVENLY INVESTMENT

Growing Your Spiritual Rewards

Your sponsorship is worship—and like all worship, its benefits multiply when nurtured with intention and consistency.

MAKE DU'A FOR YOUR CHILD

Every time you pray for your sponsored child, the angels pray for the same blessings upon you.

ENCOURAGE OTHERS TO SPONSOR

Every orphan sponsored through your encouragement adds to your reward without diminishing your original blessing.

BE CONSISTENT

Small deeds done regularly are more beloved to Allah than large deeds done sporadically.

DEDICATE AS SADAGAH JARIYAH

With the right niyyah (intention), your donations can keep earning you rewards long after you're gone.

RENEW YOUR INTENTION REGULARLY

Remind yourself: "I do this seeking only Allah's pleasure." This transforms routine giving into constant worship.

**FAMILY IMPACT: YOUR SPONSORSHIP
DOESN'T JUST TRANSFORM ONE CHILD—IT
UPLIFTS ENTIRE FAMILIES, COMMUNITIES,
AND FUTURE GENERATIONS.**

CHAPTER 12: YOUR LEGACY OF MERCY

Building Something That Lasts Forever

Ten years ago, Global Ehsan Relief began with a handful of sponsors who believed one person could make a difference. Today, that belief has transformed into a movement of mercy spanning 11 countries and touching over 1,000 lives.

Your monthly contribution is more than provision—it's:

- **A LIFELINE** for a child who had lost hope
- **A PRAYER ANSWERED** for a family in desperate need
- **A FUTURE RESTORED** where only despair existed before
- **A LEGACY** that will outlast your lifetime

The Ripple Effect Continues

When your sponsored child grows up and succeeds, they don't forget the kindness that saved them. They become:

COMMUNITY LEADERS
who lift others up

SPONSORS THEMSELVES
who pass on the blessing

PARENTS
who value education because you valued theirs

EXAMPLES
of what's possible when someone believes in a child's potential

**TOGETHER, WE CARRY THE AMANAH (TRUST) OF ORPHAN CARE.
TOGETHER, WE BUILD A LEGACY THAT ECHOES IN PARADISE LONG
AFTER WE'RE GONE.**

FAQs

ABOUT SPONSORSHIP

1 How do I know my money really reaches the child?

We provide complete transparency through detailed financial reports, photos, videos, and updates showing exactly how your sponsorship impacts your child's life. Every program undergoes annual independent audits and upon request, you will receive documentation for all contributions.

2 Can I communicate with my sponsored child?

Yes! You'll receive letters, drawings, and photos from your child. You can send culturally appropriate letters and monetary gifts through our program coordinators who ensure all communications respect local customs and child protection protocols.

3 What happens if my sponsored child's situation changes?

We monitor each child's circumstances continuously. If your child is reunited with family, ages out, or their situation changes, we'll immediately connect you with another child in need, ensuring your support continues without interruption.

4 Can I sponsor more than one child?

Absolutely! Many families sponsor multiple children. You can add additional sponsorships at any time online.

FAQs

ABOUT THE CHILDREN

5

How are children selected for sponsorship?

We work with vetted local partners to identify children in greatest need. Priority goes to children who have no guardians, have special medical needs, or come from families unable to provide basic care.

6

What age children can I sponsor?

Our sponsored children range from 3 to 18 years old. You can specify age preferences when selecting your sponsorship, and we'll match you with a child who fits your preferences.

7

Do children know they're sponsored?

Yes, age-appropriately. Children are told that someone who cares about them is helping with their education and care. This knowledge often provides tremendous emotional support and motivation.

8

What happens when my sponsored child turns 18?

We provide transition support including life skills training, vocational education, or higher education assistance. Many older children stay connected with sponsors as they begin independent lives.

FAQs

ABOUT THE PROGRAMS

9

What's included in basic sponsorship?

Food, clean water, healthcare, education, clothing, safe accommodation, counseling support, recreation activities, and Islamic education. Essentially everything needed for healthy development.

10

How is the Hifz program different?

Hifz sponsorship includes everything in the basic sponsorship plus specialized Qur'an memorization with qualified teachers, advanced Islamic studies, and annual recitation videos sent to sponsors.

11

Can I visit my sponsored child?

Visits can be arranged in culturally appropriate situations with advance coordination. We facilitate meaningful connections while respecting local customs and child protection protocols.

12

What countries do you work in?

We currently serve orphans in 11 countries across Asia, Africa, and the Middle East, focusing on regions with the greatest need and established local partnerships.

FAQs

ABOUT DONATIONS

13

Is my sponsorship Zakat-eligible?

Yes, all our orphan care programs are 100% Zakat-eligible. The children we serve meet all Islamic requirements for Zakat recipients.

14

Can I make one-time donations instead of monthly sponsorship?

Yes! Our "Gift of Hope" program accepts one-time donations starting at \$50. These support urgent needs, emergency medical care, and special projects.

15

Can I pause or cancel my sponsorship?

We understand circumstances change. You can pause sponsorship temporarily or cancel with 30 days notice. We'll work with you to find solutions that work for your situation.

We follow strict child protection protocols. Photos and information are shared only with sponsors, children's identities are protected, and all communications are monitored for safety.

We work only with established local partners, conduct regular site visits, require detailed financial reporting, and maintain direct relationships with orphanages and schools.

18

How do you ensure cultural sensitivity?

All staff receive cultural competency training, we employ local coordinators who understand cultural context, and we respect religious practices and local customs in all programmes.

19

What happens in emergency situations?

We maintain emergency response protocols and funds for crisis situations. Sponsors are immediately notified of any emergencies affecting their children, and we provide additional support as needed.

FAQs

GETTING STARTED

20

Can I choose my sponsored child?

You can indicate your preference for a child from a certain country when you sign up. However, we reserve the right to assign you to other children who need your help if none are available in your preferred country.

22

What if I want to sponsor as a family or group?

We love family and group sponsorships! Multiple sponsors can support one child together, making it affordable for everyone while creating shared purpose and connection.

23

How often will I receive updates?

You'll receive progress reports annually with photos and letters. Special updates for milestones your orphan achieves throughout the year.

"AND THEY GIVE FOOD IN SPIE OF LOVE FOR IT TO THE NEEDY, THE ORPHAN, AND THE CAPTIVE, [SAYING], 'WE FEED YOU ONLY FOR THE COUNTENANCE OF ALLAH. WE WISH NOT FROM YOU REWARD OR GRATITUDE.'"

— Qur'an 76:8-9

Your sponsored child is waiting for you. **Their future is in your hands.** Their prayers will mention your name. Their success will be written in your book of deeds.
