GLOBAL EHSAN RELIEF

Founded in 2015, Global Ehsan Relief is a humanitarian aid agency headquartered in Malaysia, with active offices in Singapore, Indonesia, Cambodia, Sri Lanka, Pakistan, and the United Kingdom.

From a small team of just three dedicated individuals, we have grown to an organisation with 80 full-time staff as of 2024, and hundreds of volunteers worldwide. Together, we work to deliver critical aid to underprivileged communities in 40 countries.

Our Board of Trustees, comprised of respected members of the Muslim community, ensures that our work remains effective, transparent, and in harmony with the humanitarian values and teachings of Islam. With every project, we strive to maintain the highest standards of accountability and compassion, uplifting lives and embodying the spirit of true humanitarian service.

GUIDED BY ISLAMIC VALUES

Global Ehsan Relief is a humanitarian organization driven by core Islamic values, striving to provide assistance and support to vulnerable communities worldwide. Our new mission and vision statements, along with our core values, reflect our commitment to compassion, justice, and mercy as we work towards creating a brighter future for all.

MISSION

Global Ehsan Relief is driven by Islamic values of compassion, justice, and mercy. Our work serves as an expression of our faith and a testament to the beauty of Islam. We aim to empower vulnerable communities worldwide - regardless of race, religion, or nationality - and help build a better future for them.

VISION

We envision a world where the values of Islam guide our actions, and we work together with people from all backgrounds to build a brighter future - a world where everyone has access to their basic needs and human rights.

CORE VALUES

Rahma (Compassion)

Deep Care for Other
Compassionate Action
Global Reach

Adl (Justice)

Upholding Fairness
Equitable Distribution
Advocating for the Vulnerable

Ihsan (Excellence)

Striving for Excellence
Continuous Improvement
Professional Development

Tawakkul (Trust in Allah)

Faith in Divine Wisdom
Perseverance in Challenges
Gratitude for Outcomes

Ukhuwwa (Brotherhood/Sisterhood)

Belief in Unity
Building Bridges
Collaborative Approach

CEO / FOUNDER BASHEER AHMAD

Alhamdulillah, it has been my honour and privilege to see GER grow to where it is today. As we celebrate our 10th anniversary, my heart is filled with gratitude for the amazing people who have helped us on our journey.

Ten years ago, we began this journey with a simple mission: to bring relief, hope and dignity to those who need it most. Today, we stand as a community that has touched countless lives worldwide, and none of this would have been possible without you.

To our generous donors, committed partners, and tireless volunteers - thank you. Your unwavering support, trust and compassion have brought us to where we are today. You have made it possible for us to feed the hungry, educate orphans, shelter the vulnerable, and uplift communities in need.

As we celebrate this milestone, we also look to the future with renewed resolve. We know there is still so much more to be done. With your continued support, we will continue to expand our reach, strengthen our impact, and ensure that no one is left behind.

Here's to another 10 years of helping to change the world!

OUR LEADERS

DEPUTY CEO

Harris Iqbal
Deputy CEO

As we proudly establish our office in the United Kingdom, we are thrilled to introduce Harris Iqbal as both our Head of Global Ehsan Relief UK and Deputy CEO of Global Ehsan Relief.

With over a decade of experience in the charitable and public sectors, Harris brings invaluable expertise to our mission. His background includes extensive work in strategic management, where he has skillfully overseen complex partnerships and led initiatives for a global humanitarian organisation with a multi-million-pound impact.

Harris's proven leadership and vision equip him to guide Global Ehsan Relief toward expanding our reach and enhancing our effectiveness worldwide, ensuring that our efforts remain at the forefront of global humanitarian support.

BOARD OF TRUSTEES

Global Ehsan Relief's Board of Trustees, composed of esteemed members of the Muslim community, plays a vital role in governance. They oversee our work by visiting field offices and partner organisations, ensuring that our projects align with Islamic humanitarian values and are effectively addressing the needs of vulnerable communities.

» OUR MILESTONES

2015

Global Ehsan Relief began its journey in Singapore, launching initial projects focused on orphans, clean water, and emergency relief in Gaza and Syria. Alhamdulillah, we were fortunate to receive strong support from our community as we took our first steps into humanitarian work.

2018

We opened four new offices in Indonesia, Malaysia, Cambodia, and Sri Lanka, to facilitate our on-the-ground operations. This especially helped when Indonesia faced multiple natural disasters that year, and our team was quick to provide urgent relief. We also launched our first Community Involvement Programme (CIP), deploying volunteers to assist in distributions in Aceh and Jordan.

2016

Our operations expanded with our first mission trips to support Syrian refugees and our initial disaster relief project in Indonesia, providing aid to communities affected by earthquakes in Sumatra and Aceh.

2019

A year of new milestones! Key projects were launched, including the School For Orphans in Aceh, now known as Ma'had Ibnu Sina, our flagship centre for orphaned children and students in need. Our CIP expanded to Bangladesh and Türkiye, allowing volunteers to connect with Syrian and Rohingya refugees.

2017

2017 marked one of the worst humanitarian crises in modern times - the persecution and forced expulsion of the Rohingya people from Myanmar. In response to the crisis, we launched urgent appeals and delivered essential aid to Rohingya refugee camps in Bangladesh.

2020

The COVID-19 pandemic brought unprecedented challenges. Many drastic changes were made, including the cancellation of our many planned trips and shifting our collections entirely online. We emerged stronger, with new ideas for raising funds. Community support remained strong, allowing us to continue serving vulnerable groups. It illustrated that even in times of adversity, we can all work together to still make a difference.

2021

We expanded our operations and projects in Singapore, Malaysia, and Indonesia - reaching more beneficiaries across six core projects. Even though travel was still barred, our indispensable partners enabled us to continue implementing our overseas projects. We also hit a new milestone in Ramadan, raising over \$1 million all thanks to our donors' generosity.

2022

With borders reopening, we were able to travel and meet our international beneficiaries again! From Umrah trips for our Orphans to Ramadan and Qurban deployments, it was a joy to resume our work unhindered. In total, over 1 million people benefited from our projects — a record-breaking achievement.

2023

We reached new heights, raising over \$4.5 million with the continued support of our donors. Support surged following major crises, including the Türkiye earthquake in February, and the October attacks in Gaza. With our donors' support, we launched multiple phases of emergency aid, providing both immediate and long-term relief.

2024

Our annual Qurban Relief campaign aims to provide essential aid to communities in need, while helping our donors fulfil the sunnah of Qurban. This year, we extended our efforts to 36 countries. By July, we reached more than 1.6 million beneficiaries worldwide, disbursing more than a million to those in need.

2025

As we celebrate our 10th year of service, I reflect with immense gratitude on the journey Global Ehsan Relief has travelled. From our humble beginnings to reaching 868,373 lives across 39 countries in 2025, our impact continues to grow through your unwavering support.

OUR CORE PROJECTS

CARE FOR ORPHANS

Orphans have always been our main core project and attention. Without parental care, many of these children face hardships such as child labour to survive. Our programmes ensure they have access to shelter, food, education, and emotional support, helping them build a brighter future.

ORPHAN SPONSORSHIP

The programme provides monthly financial aid to improve orphans' living conditions, support their education, and organise social activities for them and their families. Our Hifz orphans go through a unique three-year sponsorship, which provides specialised care as they learn, read, and memorise the Qur'an. Afterward, they receive ongoing support to pursue either Islamic or mainstream education.

MA'HAD IBNU SINA

Our integrated Islamic boarding school in Aceh, Indonesia, is dedicated to educating orphaned and underprivileged children. With a focus on nurturing young Muslim scholars with strong moral values, the school prepares them to contribute meaningfully to society and thrive in the modern world.

WIDOW & ORPHANS FOOD AID PACKS

Committed to addressing hunger, we provide food aid to widows and orphaned families across Asia, Africa and the Middle East, offering relief to those affected by poverty.

HOME FOR WIDOWS

This project offers widows and orphaned children in Indonesia, Cambodia, and Sri Lanka safe shelter and support when they have nowhere else to turn. Generous community donations fund the construction of these much-needed homes.

MEALS FOR ORPHANED FAMILIES

We are committed to solving world hunger by providing food aid packs to help widows and orphans that have been affected by poverty across 15 countries throughout Asia, Africa and the Middle East.

UMRAH FOR ORPHANS

Since 2017, we have provided the life-changing opportunity for 346 Palestinian orphans to perform Umrah, giving them a chance to experience the sacred pilgrimage to the Holy Land.

OUR CORE PROJECTS

CARE FOR CLEAN WATER

More than 3 million people, mostly children, lose their lives to diseases from waterborne viruses. In response, Global Ehsan Relief brings clean water to communities by building water wells, ablution spaces, community water wells and more.

WATER WELLS: HANDPUMP, ELECTRIC & HYBRID

We build a range of water wells, from handpump and electric to hybrid models, carefully selecting the best option to suit each community's needs. Our commitment to improving water access has led us to construct 5,821 wells in rural communities over the years, providing clean water to thousands of families.

COMMUNITY WATER WELLS & SOLAR WATER STATIONS

Our community water wells and solar water stations are designed to provide a reliable and sustainable water source for entire villages. These initiatives deliver clean water daily, benefiting hundreds of individuals in need and improving the quality of life for entire communities.

ABLUTION PLACE

More than just a facility for prayer, an ablution place also ensures reliable access to clean water for everyone in the community. Thanks to the generous support of our donors, we have built 482 ablution facilities at mosques in Cambodia and Sri Lanka, promoting hygiene and convenience for local worshippers.

CLEAN WATER SUPPLY

In Gaza, where conflict has disrupted essential services, our mission remains to provide every resident with access to clean, safe drinking water. Through carefully planned projects, we aim to reach homes, hospitals, mosques, and schools with dependable water resources that support daily life.

OUR CORE PROJECTS

CARE FOR HUNGER

According to the World Health Organization, approximately 783 million people worldwide face hunger every day. Limited access to affordable, nutritious food has made food insecurity a pressing global issue. In response, we are committed to providing hunger relief aid on a global scale.

Through our various programmes, we have distributed over 126,000 Food Aid Packs, served 314,000 hot meals, and provided more than one million loaves of bread to impoverished families in need.

INITIATIVES IMPLEMENTED

- **Food Car** (Indonesia)
- **Food Bank** (Indonesia)
- **Soup House Project** (Türkiye)
- **Monthly Food Voucher** (Gaza)
- **Food Aid Packs** (Asia, Africa & Middle East)
- **Bread Distribution** (Gaza)

OUR CORE PROJECTS

CARE FOR EDUCATION

While many children have the chance to pursue their dreams, over 244 million children worldwide are denied access to education. Financial hardship is one of the primary barriers keeping these disadvantaged children from even entering school.

Our mission is to empower these children through education, helping to transform their futures. We do this by providing essential school supplies and improving access to quality learning environments. Our efforts include establishing and supporting educational centres across several regions:

EDUCATION CENTRES

- **Ma'had Ibnu Sina** in Aceh, Indonesia
- **Qur'an Centre** in Aceh, Indonesia
- **School In A Bus** in Beqaa Camp, Lebanon
- **Mobile School** in Jordan
- **Mahed Nur** in Syria
- **Mahad Al Ehsan** in Cambodia

OUR CORE PROJECTS

CARE FOR REFUGEES

With over 120 million refugees worldwide lacking shelter and basic necessities like food, clean water, medicine, and hygiene essentials, the hardships they face are immense, especially during harsh winter months.

Our Care for Refugees program is dedicated to alleviating this suffering by providing essential aid to Syrian and Palestinian refugees, as well as Rohingya refugees in Bangladesh.

Thanks to the continuous generosity of our community, we can extend meaningful support to those in desperate need.

GER is here to help – by providing shelter, resources, and support to rebuild lives.

HYGIENE KITS

Often overlooked, hygiene kits are one of the daily necessities. These basic items allow refugees to live day-to-day with minimal items.

FOOD AID PACKS

With your support, we deliver food aid packs to nourish starving children, widows, and the elderly, ensuring they have the sustenance they need.

COOKED MEALS

In addition to food aid packs, we distribute cooked meals to refugees, offering immediate relief to those without access to affordable, nutritious food.

CLEAN WATER SUPPLY

Our clean water initiatives are designed to offer sustainable, 24-hour access to safe drinking water, improving health and quality of life for refugees in impoverished areas.

WINTER RELIEF SETS

To combat the cold, we supply winter relief kits that include warm clothing, heating supplies, and hygiene essentials, offering refugees protection during the harsh winter.

TEMPORARY SHELTERS

To help restore safety, self-sufficiency, and dignity, we provide temporary shelters for refugees, creating a secure space where they can rebuild.

OUR CORE PROJECTS

GLOBAL WAQF PROJECTS

Waqf (endowment) is a charitable contribution in the form of cash or property to be used in line with Islamic shariah. It's a great way to provide long-term solutions for communities in need while also ensuring endless rewards for their akhirah (Hereafter).

Donors can help Muslims around the world while ensuring a good Hereafter for themselves. We provide underprivileged Muslims, including the visually impaired in Indonesia, access to the words of Allah S.W.T. through our Qur'an and Qur'an Braille projects.

Additionally, we collect funds to aid needy communities by building mosques, schools, and providing them with clean water via water wells and ablution places.

QUR'AN

Through this project, Global Ehsan Relief provides free copies of the Qur'an to these Muslims in need. To date, more than 43,000 copies have been distributed across Asia, Africa, and the Middle East.

QUR'AN BRAILLE (TRADITIONAL & DIGITAL)

There are more than 2 million visually impaired Muslims in Indonesia, many of whom live in poverty. More than 3,600 visually impaired Muslims have benefited from this project.

BUILD A MOSQUE

To date, our donors have helped us build more than 190 mosques for underprivileged communities in Asia, Africa, and the Middle East, benefiting thousands of Muslims in need.

MADRASAH (SCHOOL)

With this initiative, we aim to build schools in less-developed areas to make sure every child has the chance to learn. So far, our efforts have led to the establishment of 3 new schools in rural Cambodia, with more to come.

SEASONAL PROJECTS

QURBAN RELIEF

Qurban, a significant practice in Islam, holds a special place. Despite global food production, 811 million people continue to face daily hunger. Eid-ul Adha serves as a rare occasion for many to consume meat. Our annual Qurban project aims to aid these individuals in need.

EHSAN RAMADHAN

Ramadhan has always been a special month in the Islamic calendar. Apart from observing our conduct and fasting, we also know that the Prophet ﷺ was more generous in Ramadhan than other months. Hence every year we ramp up our programmes during this blessed month, encouraging the Muslim community to join in and reap more rewards together.

EMERGENCY RESPONSE

ON-GOING EMERGENCY APPEAL

Conflict and persecution afflict millions, displacing them with minimal resources. Struggling for survival, they lack awareness and aid.

Our continuous appeals support those in dire situations - Syrian and Palestinian refugees in Türkiye, Rohingya in Bangladesh, Kashmir, Afghanistan, Yemen, Palestine/Gaza, Somalia, Kenya, and Ethiopia. Global Ehsan Relief raises awareness, extends aid, and envisions a brighter future for these afflicted populations.

EMERGENCY RESPONSE

When disaster strikes, people lose homes and essentials, grappling with uncertainty. Urgent needs like food, water, and medicine become scarce. We prioritise swift disaster response, aiding victims in recovery worldwide.

Partnering with international NGOs, we supply crucial aid - food, hygiene kits, water, medicine, and shelter - to alleviate suffering from crises like COVID-19, Lebanon's turmoil, Gaza and Syria conflicts, Malaysia's floods, and Indonesian tsunamis.

HIGHLIGHTS

COMMUNITY INVOLVEMENT PROGRAMME

Global Ehsan Relief not only partners with international organisations but also involves dedicated individuals in first-hand humanitarian efforts. Through our Community Involvement Programmes, members of the GER community can join trips to countries like Indonesia, Cambodia, Jordan, Lebanon, Türkiye and more.

This initiative provides a chance to directly contribute to helping those in need. More than ten successful Community Involvement Programmes have been conducted, each lasting about seven days.

Activities include packing and distributing Food Aid, renovating places of worship, teaching English, and spending time with vulnerable groups.

Participants find this experience humbling and impactful. Their own fundraising efforts before the trips add a personal touch to their mission of providing assistance.

From Food Aid distribution to uplifting events for orphans and renovating mosques, we empower individuals to fundraise and witness the direct positive change their donations bring.

"They were very, very thankful that we came back to say hi to them, to talk to them and to understand their plight and to give them the food aid packs. And they were very hospitable to us and also invited some of our team mates to their house, which was amazing."

— Adam Zulkifli, CIP Aceh Volunteer

SPECIAL PROJECT MA'HAD IBNU SINA

With the Ma'had Ibnu Sina, we are able to provide the orphans with a stable home, quality education, and the structured support they need to grow. The school was first built after the earthquake and tsunami struck Aceh, Indonesia in 2004, to educate poor orphans and underprivileged children who had lost a parent or both parents.

Over the years, Ma'had Ibnu Sina has grown from its humble beginnings into our very own full-fledged school — a place built with sincerity, care and dedication. What started as a safe refuge for children in crisis has now expanded into a thriving institution, home to more than 100 students, the majority of whom are orphans.

Following the school motto — Science, Adab, Amal, Taqwa — we remain committed to continuing the mandate of its founders: to nurture young Muslim scholars with noble morals and the ability to contribute and thrive in the modern world. This is the beginning of a better life for them, and we will continue to stand by their side every step of the way.

" I'm grateful to have been chosen for the Hifz Orphans scholarship from Global Ehsan Relief. I'm happy that my education fees are taken care of, lightening the financial burden on my mother. "
