Umrah For Orphans

It is an annual programme that has brought 200 Palestinian orphans, who are also refugees, on a once-in-a-lifetime trip to perform Umrah and connect with their spirituality.

Orphan Sponsorship

Our monthly sponsorship programme has given more than 1,000 orphaned children the chance to further their education, memorise the Holy Qur'an, and escape the cycle of poverty.

Care For Education

In most rural, conflict and crisis areas, children do not go to school simply because they do not have the means and cannot afford basic educational materials. Unless education in these areas is prioritised, millions of children will miss out on the chance at a better future for themselves and their families. With improved education, so many other aspects of life are positively affected.

Global Waqf Projects:

These waqf projects aim to encourage Muslims to practise virtuous religious attributes. Waqf is one of the ways of worship or a way to draw closer to Allah SWT through the endowed wealth for benevolence and charitable acts or purposes. It brings immense rewards to both the beneficiaries and the donors.

Build A Mosque

One of Global Ehsan Relief's efforts to provide for the needy is through our Build A Mosque project, whereby we help construct new mosques in several countries worldwide.

Uthman ibn Affan reported:
The Messenger of Allah S.A.W. said,

“Whoever builds a mosque for Allah, Allah will build for him a house like it in Paradise.”
