As we reflect upon the past year, the world has witnessed a multitude of challenges – from natural disasters to conflicts and ongoing humanitarian crises. Despite these adversities, our collective resilience, commitment, and compassion have propelled us forward, creating a profound impact on our global community.

I am delighted to share that amidst the backdrop of a changing world, we have achieved significant milestones in 2023. Our Care for Education initiatives is committed to creating lasting solutions for the education of underprivileged children. In rural areas, educational opportunities are limited, hindering children's chances of breaking the cycle of poverty.

In 2023, we refurbished six classrooms at H.S.K Public School in Mewat Haryana, India. This transformation ensures that 180 students now have access to a conducive and safe learning environment. Additionally, our efforts extended to Pidie, Aceh, Indonesia, where we successfully refurbished a school, impacting 153 students and their religious teachers.

Alhamdulillah, we conducted five phases of distributions in Gaza throughout the year, providing food aid packs, hygiene kits, bottles of drinking water, hot meals, and more. These efforts reached a total of 75,717 people. Your contributions have played a crucial role in ensuring these families have access to vital urgently needed aid. We express our heartfelt gratitude for your impactful support in helping us assist the people of Palestine.

UMRAH FOR ORPHANS

Meanwhile, in early January, we brought 25 orphans from Jerusalem on a special trip to Makkah and Madinah. For these children, performing Umrah is a special journey that they can only dream of.

Our annual Umrah for Orphans program aims to make that dream a reality for these orphans who have been through so much.

It is our hope that this Umrah trip will not only be a life-changing experience for them, but also give them a chance to heal from their trauma and deepen their connection with Allah S.W.T.

TÜRKIYE & SYRIA EARTHQUAKE EMERGENCY APPEAL (2ND PHASE)

In late February, we sent out a team to meet our partners on the ground in Türkiye and Syria for our second phase of distributions. The survivors of the devastating magnitude 7.8 earthquake that struck earlier that month were still in desperate need of essential supplies as they recovered.

With such widespread destruction, rebuilding efforts would take time to complete. With that in mind, we raised funds for long-term aid that would sustain the survivors as they toughed out the recovery process.

Our teams not only distributed cooked meals, but also food aid packs to last a month. We also provided shelter kits, coal burners, and winter clothes to help the survivors brave the harsh winter cold. More than 25,000 people benefitted from this second phase of aid.

RAMADHAN (ACEH)

During Ramadhan, our team carried out distributions in Aceh, Indonesia, providing Qur'an Braille Digital sets to visually impaired students and distributing Qur'an sets at a learning centre. We also shared a special Iftar meal with our sponsored orphans, gifting goodie bags and financial aid to their guardians.

In addition, we sent aid to survivors of the Türkiye-Syria earthquake, providing Iftar and Sahur meals, food aid packs, and special Eid gifts to children. Over 20,000 individuals benefitted from our distributions, allowing them to practise their worship with less worry during Ramadhan.

Our efforts aimed to alleviate struggles, foster learning and spirituality, and bring joy to those affected. These actions exemplify our commitment to making a positive impact during the holy month.

QURBAN

Last year, we dispatched four teams on our Qurban Deployment, with the primary goal of personally delivering Qurban meat and bringing joy and relief to communities in need.

The first team efficiently covered four countries within a span of six days, reaching Türkiye, Syria, Lebanon, and Jordan, and distributing Qurban meat to 13,740 beneficiaries.

Additionally, the second, third, and fourth teams were deployed to Uganda, India, and Aceh, Indonesia, respectively.

In total, our Qurban deployment efforts have benefited an astounding 118,245 impoverished individuals in need across the seven countries.

CAIRO, EGYPT (PALESTINE EMERGENCY APPEAL PHASE 3 & 5)

For the third and fifth phases of our Palestine Emergency Appeal, our team travelled to Cairo, Egypt, to assist in packing essential supplies, with support from our partners on the ground. In Cairo, they packed Food Aid Packs, Baby Essentials, Ready-to-eat meals, Bottled Water, Medicinal Supplies, and more.

Subsequently, these items were loaded onto trucks for transportation to Gaza. Alhamdulillah, they successfully packed enough aid supplies to support 35,417 individuals.

YEMEN

Our deployment to Yemen included visiting various camps, such as Camp Jufainah and Camp Raudhah, as well as hospitals and the Amar Ibn Yasir school. During the deployment, we focused on providing essential food aid, clean water, and baby milk essentials to the communities in need, giving comfort to 15,700 beneficiaries.

WINTER EMERGENCY RELIEF

Last winter, our team went to Jordan, Türkiye & Syria to distribute essential winter supplies to Palestinian and Syrian refugees in need. The essentials—blankets, warm clothing, heating supplies and more—brought comfort to those living in refugee camps, ensuring that no one is left unprotected against the biting winter cold.

With your amazing support, we reached over 151,588 individuals, making their winter more bearable and ensuring they have the supplies needed to survive.

MOROCCO

Together with our partners on the ground, our team went to Morocco to assist in alleviating the suffering of earthquake victims. Over the course of three days, we successfully distributed 2,476 Food Aid Packs, 500 Ready-to-Eat meals, 1,663 Hygiene Kits, 290 Blankets, and 290 Mattresses to the affected victims in Marrakech.

MISSION TRIP SRI LANKA

We had our first Mission Trip of the year to Sri Lanka in September! During this impactful journey, our dedicated team worked hand in hand with the Global Ehsan Relief Sri Lanka team, our volunteers, and the local communities to provide essential aid and support.

From distributing food aid packs and hot meals, refurbishing ablution places to holding kindness day for the students there, our mission aimed to make a positive difference in the lives of those facing various challenges.

Alhamdulillah, we've benefitted 2,650 individuals throughout the trip, together with the strong support of our community back home.

CONCERT & EVENTS

In the second half of the year, Global Ehsan Relief Singapore actively participated in four offline events, including Selokal, Halal Fests, Celebfest 2023 and our special Cahaya Iman Concert featuring Raihan!

This special evening, dedicated to the celebration of faith and unity, marked our inaugural charity concert. Together, we rallied to raise funds for our orphaned children and widowed mothers, making it a truly remarkable weekend. Following the concert, our Charity High Tea further immersed us in joy, all in support of a meaningful cause.

All these events provided us with valuable opportunities to showcase our projects, connect with our community, and express our heartfelt gratitude to everyone who stopped by our booths. Your engagement and support at these events have been instrumental in furthering our mission.

OUR STORIES

MDM SURIYAWATI BENEFICIARY OF RAMADHAN FOOD AID

Our team met Madam Suriyawati, 55, during our Ramadhan Food Aid Pack distribution in Pidie, Aceh, Indonesia. She is a mother of four children, and her husband works as an odd job laborer, earning a minimal income.

Alhamdulillah, the food aid packs given to her family allowed her to ensure that her children had nutritious Iftar and Suhoor meals during the holy month of Ramadhan. Mdm Suriyawati gave thanks for all the support given by the donors, emphasising how it alleviated the financial strain on her family.

OUR STORIES

MS AFRAH
QURBAN 2023 VOLUNTEER & FUNDRAISER

“I think it’s important for people like us to look out for them and let them know that we care, because not everybody gets to enjoy certain food on a regular basis. Like meat is nothing, it’s an everyday thing. But for them, it’s a privilege, and they only get it once or twice a year, because of us.

This trip has inspired and taught me a lot of things and I’m thinking about how I can do more to help people like this. And not only in Aceh. I just wish everyone gets to experience how much a little bit of help can change their lives.”
