FOOD AID PACKS

Distribution

Millions around the world are facing constant hunger due to poverty - a struggle that becomes more dire during Ramadan. With the help of our partners on the ground, we began distributing food aid packs to these impoverished families before the start of the blessed month, to ensure they would not have to fast on an empty stomach. Each food aid pack contained groceries such as rice, flour, canned goods, and other essentials to last a month.

More than 7000 families benefited from these food aid packs and were able to fast without worry thanks to you.

Our dedicated teams and partners ventured into rural areas, low-income neighbourhoods, and refugee camps to ensure that even the most marginalised individuals had access to nutritious food to break their fast.

Orphans are at the heart of what we do. After the tragic loss of a parent, they face unimaginable suffering on top of grief and loss.

To honour them during the blessed month, we make a point to visit them, break fast with them, and bring some joy back into their lives.

This year, you helped us provide a nourishing Iftar to more than 1000 orphaned children and their families.

Community Iftar with Orphans: Pakistan

The last 10 nights of Ramadan are the best 10 nights of the year, especially because within them is Laylatul Qadr.

It's the best time to maximise your spirituality by increasing your good deeds - and what better way to do so than by helping those in need!

This year, your donations provided 6500 Iftar Meals throughout these blessed last 10 nights to underprivileged communities worldwide, including Palestine.

This year, thanks to your generosity, we've been able to distribute porridge to 5000 impoverished individuals in rural Sri Lanka. It's a small gesture with a monumental impact, spreading warmth and support throughout the community.

Zakat is not only a fundamental pillar of Islam, it is also a concept which has the potential to ease the suffering of many and alleviate their struggles.

For those blessed with more wealth, it's a chance to share their blessings with those less fortunate and earn rewards for their Hereafter.

Ramadan is one of the best times to pay Zakat to amplify the rewards earned. This year, over \$11,000 worth of Zakat monies was distributed to those in need around the world.

GLOBAL WAQF PROJECTS

Qur'an Distribution

During Ramadan, the rewards for sadaqah jariyah (ongoing charity) are multiplied, making them even more meaningful. Waqf is one of those forms of sadaqah jariyah.

This year, a total of 5000 sets of Waqf Qur'an were disbursed across 9 countries, reaching rural villages where access to the Qur'an is limited or non-existent. These communities now have the opportunity to learn and recite the words of Allah, thanks to your donations.

GLOBAL WAQF PROJECTS

Qur'an Braille Distribution

For many visually impaired individuals, accessing Qur'anic texts is a huge challenge due to the high cost of Braille printing.

Through your generosity, 200 Qur'an Braille and Braille Digital sets were distributed this Ramadan to Indonesian schools catering to the visually impaired, where they serve as invaluable resources for learning. The impact of this project extends far beyond Ramadan, as these Qur'an Braille Digital copies will continue to benefit visually impaired students for years to come.

ESSENTIAL AID

in Ramadan

BABY ESSENTIALS

Children from poverty-stricken families face dire conditions. Lack of proper nutrition results in stunted growth, vulnerability to diseases, and shortened life expectancy. This Ramadan, your donations helped us provide 300 sets of nourishing baby milk and diapers to families struggling to provide for their children. Your contributions helped ease their struggles and save their children's lives

BREAD DISTRIBUTION

With constant conflict surrounding them, Yemen faces one of the world's worst humanitarian crises. Failing infrastructure has led to mass hunger, among other difficulties. Throughout Ramadan, our partners on the ground helped us give out daily supplies of fresh bread to those affected. Thanks to your generosity, 15,000 Yemenis received much-needed nutrition in the blessed month.

Alhamdulillah, thanks to you we were able to distribute 150,000 litres of clean water to 9000 people in need throughout Ramadan.

EVENT

EHSAN COMMUNITY IFTAR

Towards the end of Ramadan, our Singapore team held their annual Ehsan Community Iftar, a special night for our orphaned families. The event was also a chance to celebrate the people whose efforts make GER's work possible - our amazing donors, volunteers, and fundraisers. Together, they enjoyed an evening of delicious food, fun quizzes, and deeply meaningful interactions with the beneficiaries, highlighting the impact of their work and the importance of keeping it going.

JAINAL

IFTAR MEALS DISTRIBUTION SINGAPORE

I'm a 46-year-old part-time car polisher living alone with my elderly mother. She suffers from a slipped disc, heart blockage, and diabetes, which makes monthly expenses difficult.

Most of my income goes towards medical expenses and travel costs, which amount to about \$400 a month. I want to thank the generous donors from Global Ehsan Relief for this food aid pack, which will last a month. May Allah bless and reward you always.

RAMADAN STORIES

IFTAR MEALS FOR ORPHANS ACEH, INDONESIA

In the second week of Ramadan, our GERID team held a special Iftar event for our beloved sponsored orphans in Aceh. We invited 400 orphaned children and their families to an evening of fun and entertainment, with delicious food and treats for them to enjoy. Here's what some of them had to say about their experience!

"Alhamdulillah, we are happy because we get to meet friends and enjoy a meal together."

"We hope there will be many more events like this in the future,"

"May all the donors who made this possible be blessed with good health and a long life!"

“THE BELIEVER’S SHADE ON THE DAY OF RESURRECTION WILL BE HIS CHARITY.”

Al-Tirmidhi

Giving in charity not only benefits the recipient but also the giver. The reward for charity is multiplied in the hereafter, and it serves as a shade on the Day of Resurrection when there will be no other shade.
