# THIS RAMADHAN, WE'VE HELPED 282,051 PEOPLE

Throughout the holy month of Ramadhan, Global Ehsan Relief successfully carried out a range of impactful projects as part of our Ehsan Ramadhan 2024 campaign.

These included providing Iftar Meals, distributing vital Food Aid Packs, having Mass Iftar with our Orphans celebrating Kindness Day, and providing Eid Gifts to our orphaned families.

Thanks to the unwavering support of our GER community and the dedication of our teams and volunteers, we were able to extend assistance to nearly 275,000 individuals in need across 33 countries worldwide.

From serving nutritious meals to organising community gatherings, our efforts aimed to alleviate the struggles faced by vulnerable groups such as orphaned children, widowed mothers, and the elderly during the holy month.

Each meal served, each gift given, and each moment shared brought hope and relief to those in need. On behalf of our beneficiaries, we express our heartfelt gratitude to all who contributed to making this Ramadhan a time of compassion and support.

# RAMADHAN FOOD AID PACKS

Millions around the world face ongoing hunger due to poverty, a struggle that persists even during Ramadhan. With the support of our generous donors and partners on the ground, we began distributing food aid packs in 30 countries before Ramadhan started. These packs, filled with essential groceries like rice, flour, canned goods, and other staples, are designed to support impoverished families throughout the fasting month.

Thanks to these efforts, over 19,000 individuals have received food aid and were able to observe Ramadhan without the stress of how to provide for their iftar meals.

# RAMADHAN IFTAR MEALS

During Ramadhan, iftar meals are vital for families struggling with poverty, who endure a relentless fast. Throughout this blessed month, we provided a total of 57,176 nourishing iftar meals to Muslim communities in need around the world. Our dedicated teams and partners reached out to rural areas, low-income neighborhoods, and refugee camps to ensure that even the most marginalized individuals had access to nutritious food to break their fast.

The impact of these iftar meals went beyond mere sustenance. Many beneficiaries expressed heartfelt gratitude for the generosity of our donors. For them, each iftar meal was not just food but a symbol of hope and solidarity during a challenging time.

# PORRIDGE DISTRIBUTION

Our team at Global Ehsan Relief Sri Lanka recently distributed 30 buckets of nutritious porridge to rural communities in need. In Sri Lanka, where economic challenges are widespread, porridge is a cherished staple, particularly during Ramadhan. Rather than focusing on extravagant meals, we are prioritizing what truly matters: delivering nourishing sustenance to those in need. Thanks to the generosity of our donors, we have been able to provide porridge to 22,500 individuals during Ramadhan. This modest gesture has had a profound impact, bringing warmth and support to the community.

# EID GIFTS DISTRIBUTION

Eid is meant to be a time of joy and celebration, but for families grappling with poverty, it often passes like any other day. With basic needs taking priority, there's little left for festive celebrations. Thanks to the generosity of our donors, we were able to distribute over 400 gift sets to these families, sharing the joy of Eid with them. Each gift set included new clothes for the children, festive Eid cookies, and a cash gift. It was truly heartwarming to witness the happiness these gifts brought to families facing significant challenges. Thank you for helping us spread the joy of Eid!

# ZAKAT DISTRIBUTION

Zakat is not only a fundamental pillar of Islam but also a powerful means of alleviating suffering and addressing the struggles of those in need. Zakat, given during Ramadhan, serves to purify one's wealth and support the ummah by providing relief to the poor and needy. This Ramadhan, we distributed over \$3,100 in Zakat funds to 12 orphaned families and 8 elderly individuals in Singapore.

# GLOBAL WAQF PROJECT WAQF QUR'AN

During Ramadhan, the rewards for sadaqah jariyah, or ongoing charity, are greatly multiplied, making such acts even more valuable and impactful. This year, we distributed a total of 2,500 Waqf Qur'an sets across Cambodia, Indonesia, and Pakistan, reaching rural villages where access to the Qur'an is limited or non-existent. These communities now have the opportunity to learn from and recite the Qur'an, deepening their understanding and connection to its teachings. The benefits of this initiative will extend well beyond Ramadhan, as these Qur'an sets will continue to provide knowledge and guidance for generations to come.

## WAQF QUR'AN BRAILLE

During Ramadhan, our distribution of Waqf Qur'an Braille Digital sets has been crucial in providing Islamic education to visually impaired students in parts of Indonesia. Accessing Qur'anic texts has often been difficult for visually impaired individuals due to the high cost of Braille Qur'an Digital sets.

Thanks to the generosity of our donors, we have distributed these Braille Qur'an Digital sets to schools and learning centers for the visually impaired. These resources are invaluable for Qur'anic education and will continue to benefit students long after Ramadhan. The impact of this initiative extends well beyond the holy month, offering ongoing support and learning opportunities for years to come.

# KINDNESS DAY RAMADHAN EDITION

In addition to supporting humanitarian causes, simple acts of kindness within our communities can be incredibly rewarding and impactful. Global Ehsan Relief's Kindness Day project is designed to spread compassion and demonstrate that even small gestures can brighten someone's day.

During Ramadhan, our Kindness Day initiative took place weekly. In Singapore, we distributed 1,500 packs of porridge to the public. In Malaysia, we handed out 2,000 portions of "Bubur Lambuk" a traditional porridge, to the community at no cost. These acts of kindness serve as a reminder that small efforts can make a significant difference.

# GAZA, PALESTINE AID DISTRIBUTION

Amid the ongoing conflict in Palestine, thousands of families are enduring severe hardship, with recent events exacerbating their dire situation and highlighting the need for our urgent collective response. Our Ramadhan Aid to Palestine program provided essential support, including food aid, iftar meals, clean water, and more to families across Gaza, Jerusalem (Al Aqsa), and other areas of Palestine. Special attention was given to those with orphans, widows, the elderly, and disabled children. This assistance reached over 163,000 people, alleviating their struggles and allowing them to observe Ramadhan with greater peace of mind.

# LOCAL PROJECTS SINGAPORE

## EHSAN COMMUNITY IFTAR WITH ORPHANED FAMILIES

On the first weekend of April, we hosted our Ehsan Community Iftar, dedicated specifically to our orphaned families. Alongside our staff, sponsors, fundraisers, and volunteers from the Ehsan Community, we enjoyed an evening of delicious food, engaging quizzes, and recognition of those who play a crucial role in Global Ehsan Relief Singapore. The Sofian Roslan Division made significant efforts in fundraising to support this special Iftar event.

## BAZAAR AMAL

During this Month of Mercy, our Global Ehsan Relief Singapore team hosted our inaugural Bazaar Amal Ramadhan. Each week, we set up at a different estate, distributing 350 iftar meal sets, porridges, and a delightful array of food and snacks to our cherished beneficiaries. We extend our heartfelt gratitude to our generous sponsors, whose invaluable contributions brought joy and smiles to the residents.

I want to extend my heartfelt thanks to Global Ehsan Relief for the food pack they distributed during Ramadhan.

As a disabled person unable to work, Ramadhan often brings added financial strain. The generosity of the donors has brought hope and happiness to our home during this blessed month.

# RAMADHAN STORIES TUTU NUGRAHA

## WAKAF QUR'AN BRAILLE DIGITAL

Tutu Nugraha, 43, lost his eyesight at the age of 8 due to a high fever that led to a seizure. Despite this challenge, he was determined to continue learning and improving himself.

He started learning Braille at a private institution for three months and then continued practising on his own using the traditional Braille Quran. However, he found it difficult to access a digital Braille Qur'an, which hindered his progress.

Alhamdulillah, Tutu is one of the recipients of our Qur'an Braille Digital set.

Tutu's ultimate goal is to memorise the Qur'an, as reading it every day brings him peace and solace.

He is grateful to donors for their contributions, hoping that their efforts will be a Sadaqah Jariyah for them - a continuous charity that benefits them even after they have passed.

# “THE BELIEVER’S SHADE ON THE DAY OF RESURRECTION WILL BE HIS CHARITY.”

(AL-TIRMIDHI)

Giving in charity not only benefits the recipient but also the giver. The reward for charity is multiplied in the hereafter, and it serves as a shade on the Day of Resurrection when there will be no other shade.
