

FEES POLICY 2024/25

Purpose

This document outlines Inspire Education Group's approach to setting and operation of fees associated with academic provision for the period 1 August 2024 to 31 July 2025. In preparing this document care has been taken to ensure that the recommendations of the Office for Students (OfS), the Education and Skills Funding Agency (ESFA), the Cambridge and Peterborough Combined Authority (CPCA), the respective Adult Education Budget funding requirements have been given due consideration and that recommendations of the Competition and Markets Authority have also been considered.

Scope

This policy applies to all fee-paying learners of Inspire Education Group.

The Policy Statement

The Group aims to optimise income from fees and charges by adopting a market driven approach to setting fee levels, but also wherever possible to take account of an individual's ability to pay. This document sets out the basis on which charges are arrived at and the circumstances in which learners may not be required to pay the full fee. The wholly owned subsidiary, University Centre Peterborough (UCP) have their own specific Fees Policies to meet regulatory requirements which you will find at <https://ucp.ac.uk>

This Policy applies to all learners of IEG. This includes adult learning for adults aged 19 who are required to pay fees, in particular, those who are studying a Level 3 qualification or above who are required to pay fees, operating in conjunction with the student loan company (SLC).

Learners or their sponsors, unless they qualify for exemptions/waivers because they are eligible for full fee remission based on the ESFA or CPCA Funding Rules or apply for exceptional financial support, are to be charged tuition fees and other fees in order to enrol on a course at IEG.

The Group must ensure that when a learner starts learning they are aware of the fees that they may have to pay including course fees and other fees during the time spent following the learning aim. Learners must be made aware of their own fees and the Group charging policy; so that if a learner's circumstances change they are informed of the consequences in respect of the fees which may or may not be charged.

These principles extend to all areas of charging for teaching and related services, for further education, educational and training contracts, and commercial activities. Where the award of a grant supports the activity, then the terms of that grant, if different from the policy principles, must take precedence.

A fees schedule will be produced annually and will be authorised by the Group Executive. This will summarise fee levels, concession entitlement and refund policy. Higher rates may be calculated for learners for whom the Group does not receive any ESFA or other grant funding as this will essentially represent a full cost delivery. In addition, the Group has the discretion to negotiate arrangements with employers for large numbers.

Fee remission will be offered in accordance with government directives and to learners in groups for whom the ESFA offers discretionary fee compensations.

Fee refunds or waivers will only be allowed where the Group has cancelled a course, there is a justified complaint, or in exceptional personal circumstances, as described in this Policy.

All learners at the time of enrolment must have a method of payment of fees in total which include:

- Fully Funded through ESFA CPCA and/or Local Authority
- Fee Paid fully by the Student
- Payment by Employer
- Payment through a loan scheme – Advanced Learner Loan/Student Loan

Responsibilities

The Group Chief Financial Officer is responsible for developing, implementing and maintaining this policy.

The Group Director of Finance is responsible for implementing the fees procedure, in line with the appendix to this policy.

The Group Director of MIS is responsible for providing data to identify students that are responsible for their own fees, with applicable start dates.

The Group Manager of Student Recruitment, Admissions and Careers is responsible for ensuring the admissions team provide suitable advice relating to fee eligibility to all students.

FEES POLICY 2024/25

TUITION FEES

The Group will review the tuition fees annually. For part-time courses the assumed fee income will be a percentage of the National Funding Rate for the learning aim in line with ESFA/CPCA recommendations.

In determining the appropriate fees, the Executive Team will consider market conditions and Group Strategy, ESFA and/or CPCA funding regulations as well as the cost of running the course.

Where a course lasts for two or more academic years a tuition fee is charged annually. The fee calculated will be applicable for the duration of the course and indicative fees for future years may be given but these are subject to change each year unless the learner pays upfront for future years.

Learners who fail to complete their ESFA or CPCA funded programme within the allocated time frame, may be liable for a charge for the learning already undertaken, if they wish to retake where IEG is not eligible to claim the full funding for the course.

Learners who apply to transfer to an alternative learning programme may incur an additional charge if there is an increased fee level associated with the new programme of study.

Late joiners will be charged the full tuition fee applicable to the programme followed.

19 PLUS FULL-TIME LEARNERS

Learners will be charged a standard tuition fee for each year of their course.

A charge will also be made for examination registration at the start of the course. Additional charges may be made for materials, equipment, uniforms, educational visits and non-attendance at assessment tests or exams.

A charge will also be made for examination registration at the start of the course. Additional charges may be made for materials, equipment, uniforms, educational visits and non-attendance at assessment tests or exams.

Learners may be eligible for fee remission if they meet the eligibility criteria set out in either the ESFA or CPCA Funding Rules 2024/25 and the course is funded according to the ESFA Find a Learning Aim or the DfE list of qualifications approved for funding in 2024/25.

A course may also be eligible under an advanced learner loan if they are studying at level 3 to 6, and these loans may cover the cost of tuition so learners do not have to pay upfront.

The fees applicable for these learners will be based on a maximum calculated from the Learning Aims Reference Service calculation of funding and will be supported by the availability of the advanced learning loan.

www.gov.uk/advanced-learning-loans.

19+ apprentices do not contribute financially to the direct cost of learning and will not be charged fees.

FEE CONCESSIONS

Fee remission is available as per the Education Skills Funding Agency Rules to all 16-18-year-old FE learners, including those on part-time programmes as long as they are not studying at another training provider and for adult learners who meet the specified criteria set out in the ESFA and CPCA Funding Rules for 2024/25.

Where fees are remitted for learners who meet the criteria, the Group will not charge the learners tuition fees or exam registration fees.

The categories of learners who are entitled to fee remission are:

- All 16-18 year old (or 19-24 with an EHCP) FE learners; the Secretary of State does not expect tuition fees to be charged to full-time or part-time 16-18 year olds
- 14-15 year old Home Schooled Learners who are registered as such through their respective Local Authority. Such students cannot study full-time at IEG as per the Department for Education Rules and Regulations, but rather will attend on a part-time basis

Adult Learner legal entitlements (remitted fees are shown in full in **Appendix 3** of this policy)

Any other remission categories as advised by the Education Skills Funding Agency or the Cambridge and Peterborough Combined Authority, in their respective funding rules 2023/24.

Learners not in receipt of full fee remission are expected to pay tuition fees, either at a co-funded rate or full-cost, depending on their particular circumstances.

LEARNERS WITH SPECIAL EDUCATION NEEDS AND DISABILITIES (SEND)

Learners aged 19-24 years on their start date that have additional learning support (ALS) needs that have an estimated cost of over £6,000 per annum, including those with an Educational Health Care Plan (EHCP) in the year will be funded through the ESFA in the first instance. Enrolments with support needs above the funded level will be paid by the relevant Local Authority. There is an assumption from the ESFA that no fees would be collected for learners in the above category.

SEND students aged 19-24 who are funded through the ESFA and have an ALS below £6,000, will be expected to pay a fee unless they meet the fee remission criteria.

OTHER FEES

If the ESFA fully funds a learner's programme, the Group must not make compulsory charges relating to the direct costs of delivering a learning aim. Direct costs mean administration, registration, assessment, materials or examination costs and can include charges for identification passes, uniforms, tools and materials where the learner cannot achieve their learning aim without them.

Optional extras may be charged as a fee to the learner and this can be applied to trips and visits that are not a central part of their learning. The Group may also charge for items not relating directly to the learning activity. Charges may be made to fully funded learners or learners funded by loans if they want to keep materials used in a learning activity outside of the learning environment e.g. artwork, models, food.

If learners are directly responsible for the payment of other fees, staff should ensure that learners are made aware of these additional costs.

Any late entry fees incurred by the Group will be recharged to learners, unless the late entry is the fault of the Group. Once sums have been paid over to an external body, refunds cannot be made nor any sums invoiced waived.

Any learners who fail to attend an examination will be charged the awarding body fee, except where the absence is due to illness and a doctor's certificate can be provided.

ADDITIONAL QUALIFICATIONS – FULL-TIME LEARNERS

If learners wish to enrol on additional qualifications that are not part of their full-time programme, then this will need to be evaluated and agreed on an individual basis as outcomes are related to age, then they will be liable for payment of all fees incurred. The additional qualification must be checked and agreed by the Chief Financial Officer before the learner is enrolled.

EDUCATIONAL VISITS AND MATERIALS

Some full-time programmes include field trips and/or residential which are an integral part of the programme.

All educational visits should be self-financing. Charges for visits should be in line with Group policy. The Group does not aim to generate any surplus from student visits; any deficit resulting from an educational visit will be borne by the organising department. The cost of materials should generally be additional to the tuition fee.

APPRENTICESHIP FEES

Levy employers pay 100% of the negotiated price for an apprenticeship standard.

Where apprenticeship training is not funded from the employer's apprenticeship service account employers make a co-invest contribution based on the negotiated price.

For apprenticeship apprenticeships that started before 1 April 2019 this is 10% and 5% for apprenticeship starts after 1 April 2019.

There is no employer contribution if the employer has fewer than 50 employees and if the apprentice is on the first day of their apprenticeship is:

- Aged between 16 and 18 years old); or
- Aged between 19 and 24 years old and has either an EHC plan provided by their local authority; or has been in the care of their local authority as defined

GROUP STAFF

IEG is committed to supporting the training and development of staff including agency staff employed through QRS. As such the following support is available in line with the IEG Professional Development policy.

Teaching Qualifications

IEG will support all staff requiring a teaching qualification as required by their job. Staff who are new to teaching may be fully funded to undertake the Level 3 qualification before embarking the relevant qualifications up to levels 5 or 6 depending upon experience.

Graduate, Post-Graduate and Other Professional Qualifications

Each year, within an agreed budget, contributions will be made to contracted staff of up to 50%, or a maximum of £3,500 towards the cost of such qualifications, through an application process. Each application will be considered on a case by case basis.

We are committed to supporting contracted business support staff to undertake relevant professional qualifications for their personal professional development and to add professional value to the support functions. Contributions will be made to support staff in line with those for teaching staff as above.

Apprenticeships

Full funding is available for staff through the Apprenticeship Levy to undertake apprenticeship qualifications relating to their job role. This includes qualifications from Level 2 up to Level 7.

14-16 YEARS LEARNERS Alternative Curriculum Programme

Fees are paid by schools, Social Services or Local Authorities for students on the full-time Alternative Curriculum programme. Payment is expected to be made on receipt of invoice. Pro-rata rates are available for late starters and part-time learners. Leavers will be eligible for full cost at the end of year.

Other learners under aged 16 years

Learners under the age of 16 years (except those covered by the above categories) who wish to join any part-time course must be deemed a Home-Schooled Learner and have permission from their Local Authority to join a College within the Group. The Group needs to seek confirmation from the ESFA that the learner will be funded before they commence their programme.

Learners who are under 16 years who wish to join any part-time course will not be funded therefore liable to pay the full adult fee applicable to the course plus a subsidy to cover any loss of funding.

PAYMENT OF FEES

All fees become liable on the completion of an enrolment form either by the learner or their sponsor unless the learner is entitled to full fee remission or any of the following applies.

For courses of thirteen to thirty-six weeks students are entitled to a four-week cooling off period from the latter of:

- Date of Enrolment
- Start Date of the Course

For courses of up to twelve weeks students are entitled to a two-week cooling off period from the latter of:

- Date of Enrolment
- Start Date of the Course

Students withdrawing at this point will be liable to a 10% administration fee, up to a maximum of £30.

Payment of fees may be made by cash, credit or debit card, bank transfer, or cheque.

INSTALMENT PLANS

Payment of fees may be made in instalments when fees due at enrolment exceed £350.00.

Students can agree a payment plan through FlexPay, which requires:

- 1/3 of the fees to be paid prior to commencement
- All fees to be paid at least three months before the end of the course

Whilst the FlexPay payment plan is free of interest, there is a £6.00 administration charge for each instalment collected by FlexPay from the student. The first payment the student makes to FlexPay will include the full administration fee.

Overseas students are not normally eligible for the instalment plan and any exceptions must be agreed in advance by the Chief Financial Officer.

NON-PAYMENT OF FEES

Continued attendance on a programme of study is dependent upon the learners' payment of their fees.

Where instalment terms have been agreed, but an instalment is not paid by the due date the full outstanding balance will become immediately payable, together with an additional administration charge to cover the extra collection costs. Learners who default on instalment agreements will not be offered this facility for any subsequent enrolment.

Where fees remain outstanding three months before the completion of a programme of study, the learners will not be entitled to complete the course. In addition, learners

who undertake a programme of study, but are asked to leave because of outstanding fees will be flagged on the MIS system, and will not be allowed to enrol on further programmes of study until the outstanding debt has been cleared.

If a learner or their sponsor pays for fees by cheque, and the issuing bank subsequently dishonours this cheque, an administration fee of £30.00 per default will be charged to cover the additional costs of re-collection.

Learners undertaking a two-year programme will **not** be allowed to progress to the second year of the course where fees relating to the first year remain unpaid.

IEG's debt collection partner may agree to an instalment payment plan, to facilitate full recovery of fees. These payment plans attract interest as per each individual agreement.

REFUNDS

Please refer to the Refund Policy for detailed information. Refunds of tuition fees will be given in the following circumstances:

- Where a course is closed or cancelled by the Group a full refund will automatically be made to all eligible learners enrolled without request
- When the Group has evaluated that the learner is not suitable for the course and no alternative course is offered
- Where the IEG Refunds Panel agrees to a refund as defined in the Refunds Policy

Should a learner decide to withdraw from a course in accordance with the Consumer Rights Act 2015, automatic refunds will be granted if withdrawal is made in writing and is within the four-week 'cooling off' period. The four-week 'cooling off' period commences from the day after learning commences. Should a learner transfer to a different course the four-week 'cooling off' will recommence from the day after learning commences.

The Group does not normally refund tuition fees where a learner simply decides to stop attending a course, but reserves the right to make a decision based on a learners' individual circumstance.

FEE RATES

Learners commencing courses covering more than one year will be charged their tuition fee annually. The fee calculated will be applicable for the duration of the course and indicative fees for future years may be given but these are subject to change each year unless the learner pays upfront for future years.
