A SACRED JOURNEY OF GIVING, GROWTH & CONNECTION

This October, you're invited to be part of a deeply moving experience – a Charity Trip to Jordan and Umrah With Orphans, a combined spiritual and humanitarian mission that will take you from the refugee camps of Jordan to the sacred lands of Makkah and Madinah.

You'll serve orphans, widows and refugees with your own hands, then travel to the heart of Islam to perform Umrah – accompanied by a group of orphan children who will share this incredible spiritual journey with you.

This is more than a trip. It's an act of worship. A chance to walk in the footsteps of our beloved Prophet ﷺ, who taught us the immense value of caring for orphans and giving sincerely in the path of Allah.

TRIP OPTIONS: CHOOSE YOUR JOURNEY

**VOLUNTEERS CAN CHOOSE FROM
THREE INCREDIBLE OPTIONS:**

1. Jordan Charity Trip + Full Umrah

Experience

(4 days Makkah, 3 days Madinah)

Humanitarian aid followed by a full spiritual journey, including visits to both sacred cities.

2. Jordan Charity Trip + Makkah Only

Umrah (4 days in Makkah)

For those short on time, this option focuses on the core rites of Umrah and helping orphans experience it too.

3. Jordan Charity Trip Only

Focus entirely on aid distribution, field visits, and serving families in need in Jordan — Umrah not included.

UMRAH WITH ORPHANS: AN HONOUR BEYOND WORDS

One of the most profound parts of this trip is the Umrah With Orphans component — a unique opportunity to journey with children who've lost everything. You'll share laughter, tears, duas and smiles with these beautiful souls as they witness the Kaaba and the Haram for the first time. You'll walk with them during tawaf, hear their duas, and help create cherished memories for life.

"I and the one who cares for an orphan will be in Paradise like this..." — and he held his fingers together ﷺ.

This is your chance to live that hadith.

A photograph of the interior of a mosque. In the foreground, several men wearing dark clothing and white prayer caps are sitting on a patterned rug, facing away from the camera towards a large, ornate doorway. The doorway features intricate geometric patterns and is flanked by windows with colorful stained glass. The ceiling is high and decorated with complex Islamic calligraphy and geometric designs. Light streams in from the doorway, creating a bright, hazy atmosphere.

SPIRITUAL LEADERSHIP

A respected Sheikh or Molana will be joining the trip, offering spiritual reminders and reflections throughout. More details will follow closer to the time.

FUNDRAISING & GIVING BACK

Helping those in need is a core value in Islam. It is a privilege to support anyone—regardless of background—during their time of hardship. Through such service, we uphold the noble character that our faith calls us to embody.

The Prophet Muhammad (ﷺ) said:

"Allah will continue to help His servant as long as the servant is helping his brother."

(Sahih Muslim)

We aim to :

- ✔ **Support orphans joining us on the Umrah trip**
- ✔ **Sponsor orphan children for a year (ideal for those doing Umrah only)**
- ✔ **Raise funds for aid distributions in Jordan**
- ✔ **Share your journey and inspire others to give**

While there is no fundraising target required to join, we strongly encourage everyone to take on a fundraising goal to maximise the opportunity.

A fundraising link will be provided to each volunteer.

100% of all donations go directly to the cause — thanks to WCF's 100% donation policy.

TRAVEL OPTIONS & FLEXIBILITY

We have carefully structured travel plans and places of stay in order for the group to stay together and benefit from the togetherness as well for time productivity.

However, you are more than welcome to book your own flights and/or accommodation, but it will need to be within the group plans to ensure logistics and group timings are aligned.

If you'd like to only do Umrah (without the Jordan trip) — we can advise how to still support the cause through fundraising or sponsorship.
