

# Managing micro-credentials

## Often overlooked aspects of MCs

## Link with the labour market needs

Manuela Costone – Francesco Sanasi  
Webinar, July 4, 2024

# Why micro-credentials?

# How to involve labour market representatives in micro-credentials development

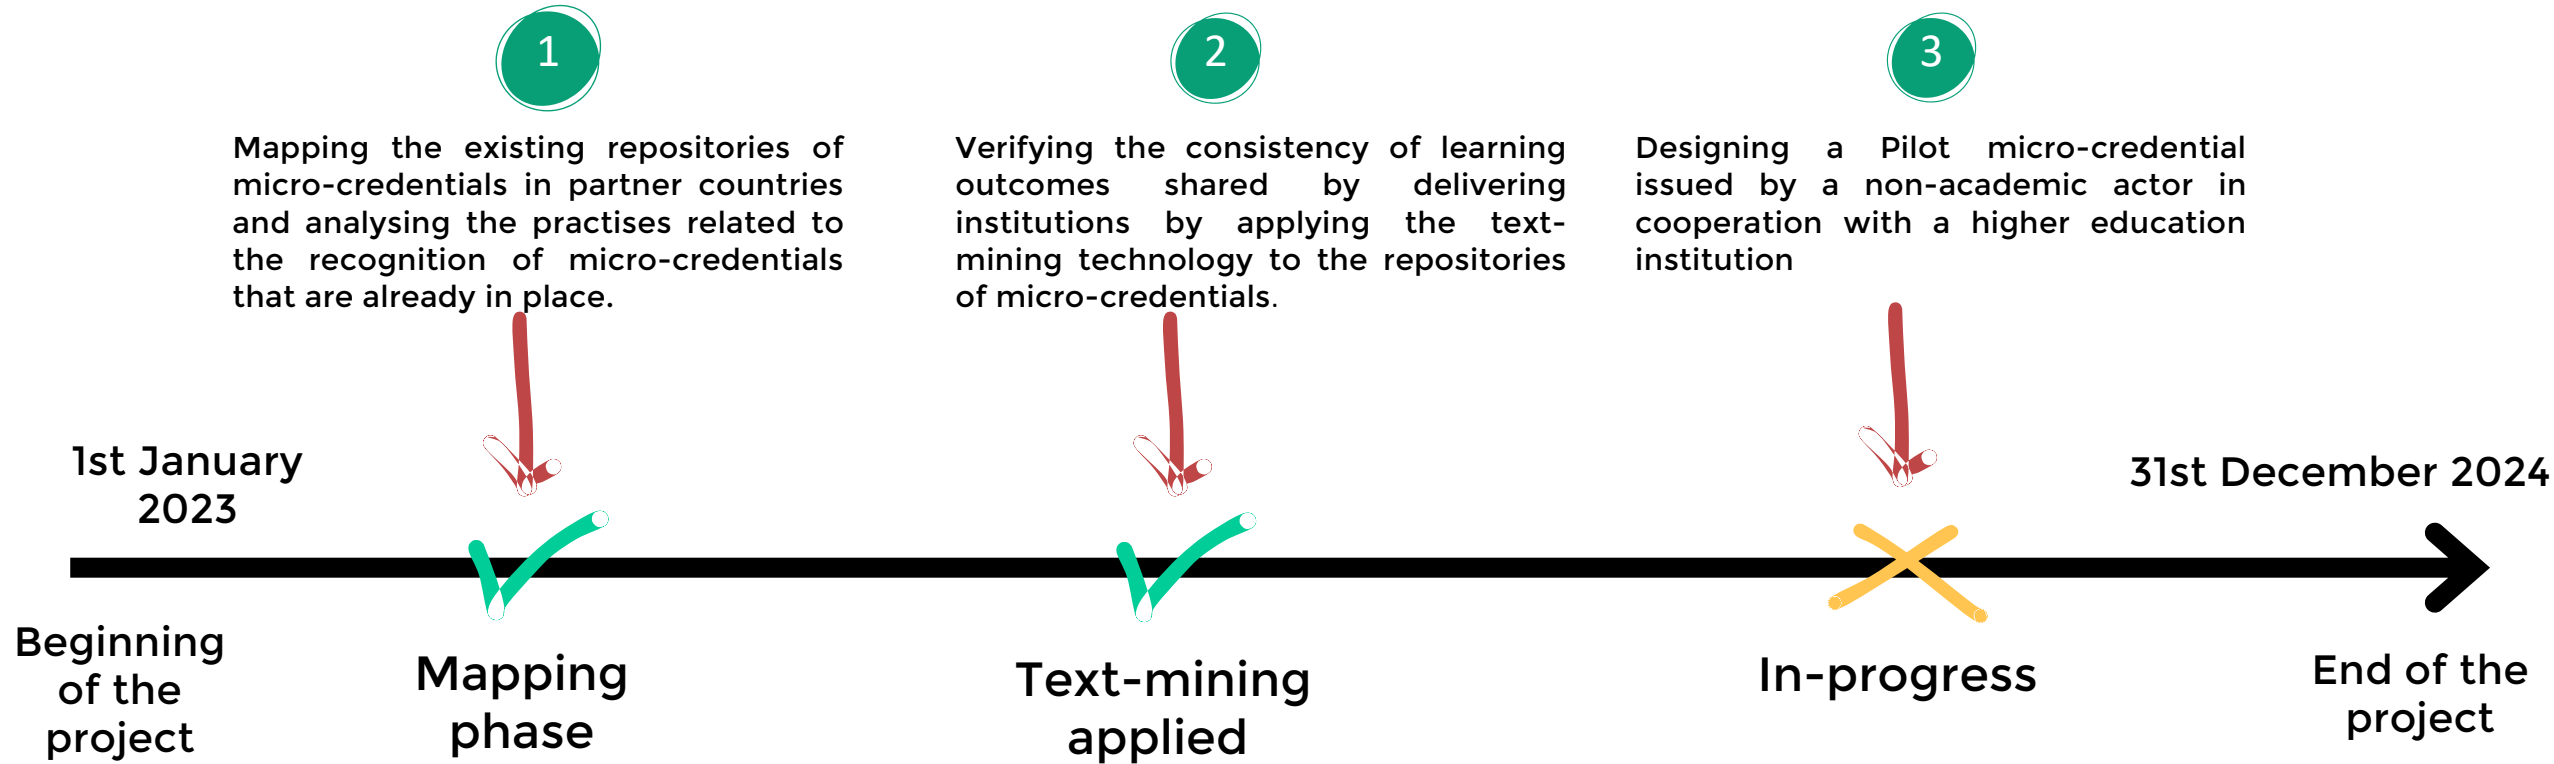

# Moving forward together

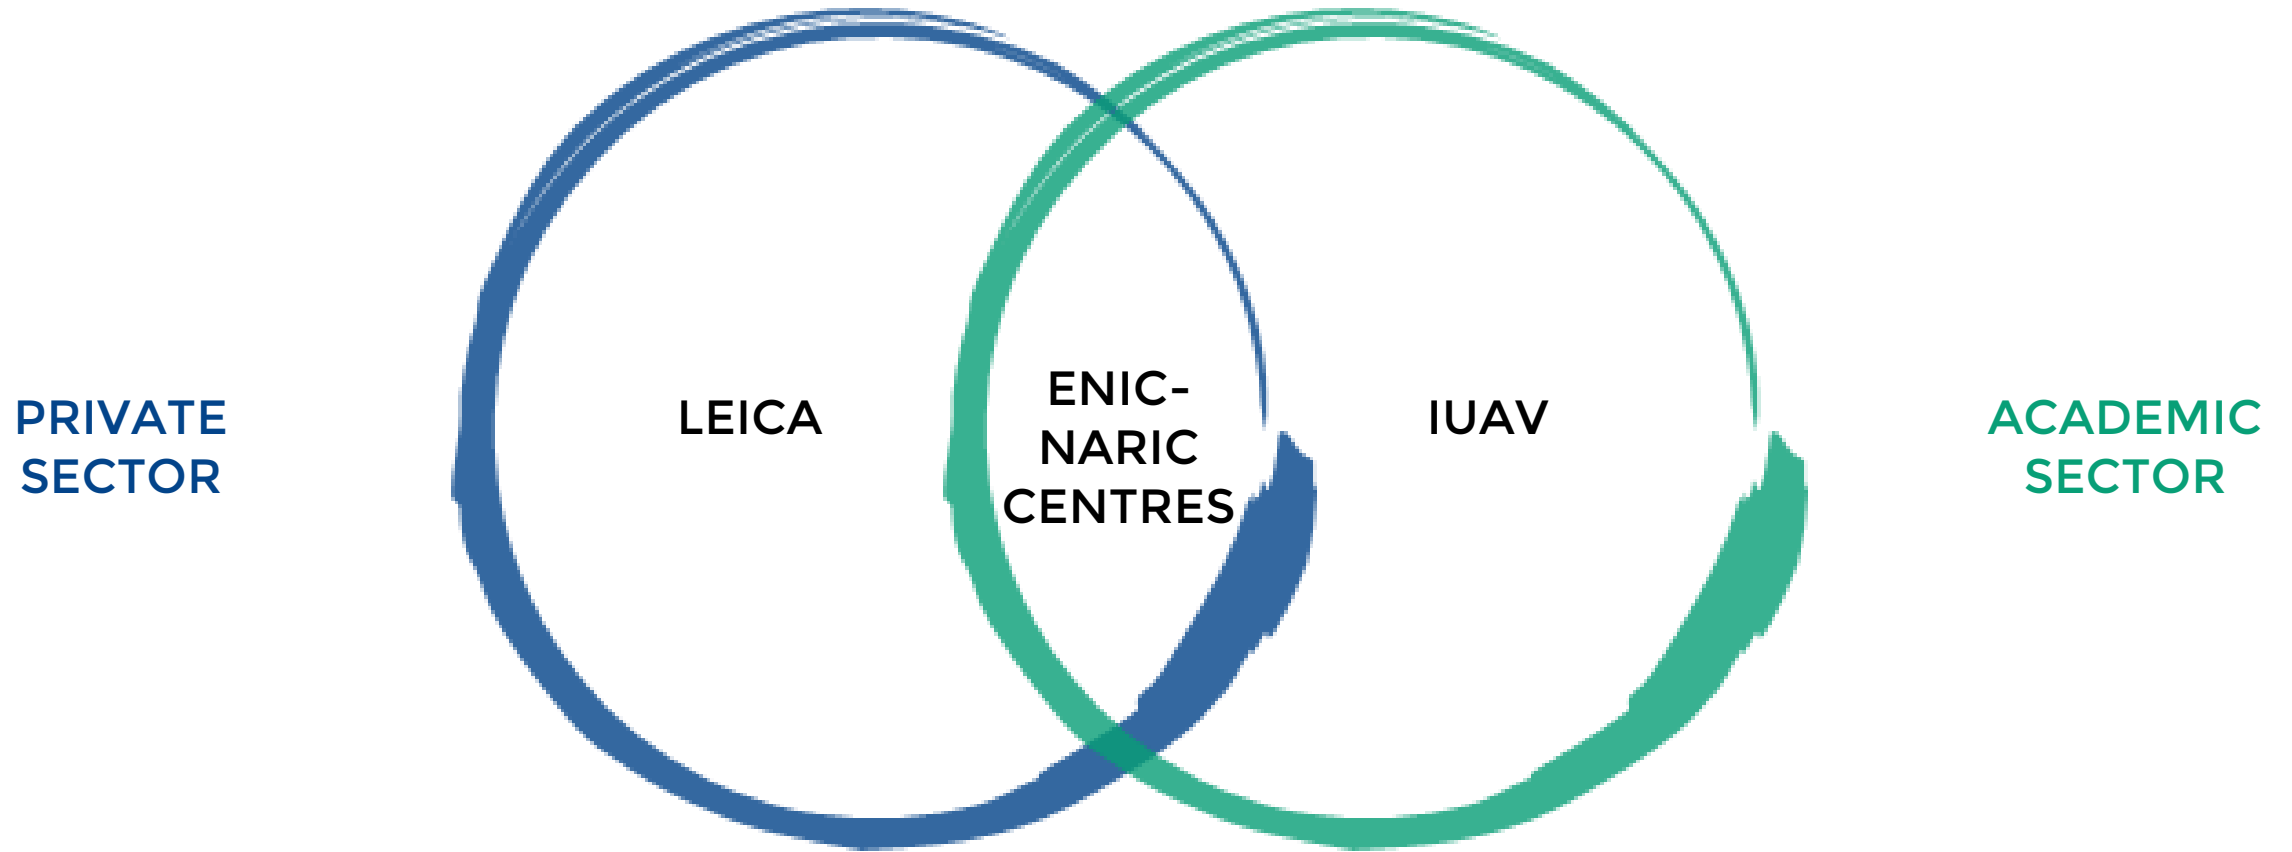

# How to reinforce the link

Challenges	Solutions
Misalignment of goals	Learning outcomes
Communication gaps	Feedback mechanisms
Rapid evolution of the labour market	Forecasting activities

# A success story: MARTe

# MARTe: involved stakeholders

# MARTe PILOTING ACTIVITY

- Definition of contents (field of photography)
- Connection with the labour market needs

- Learning outcomes writing on the base of the results of the research carried out in WP2

- Definition of quality requirements
- Possibility of recognition of the MARTe micro-credential

Co-funded by  
the European Union
