

# *Information & Records*

---

Addlestone Pre-School maintains records and obtains and shares information (with parents and carers, other professionals working with the child, and the police, social services and Ofsted as appropriate) to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met. Addlestone Pre-School must enable a regular two-way flow of information with parents and/or carers, and between providers, if a child is attending more than one setting. If requested, providers should incorporate parents' and/or carers' comments into children's records.
