Deluxe Camping Rules

1. Only people who have purchased a deluxe camping package will have access to the deluxe area of Clay's Resort. Security will be checking wristbands throughout the park. Commuter ticket holders and festival campers will NOT have access to your campsite or rental unit.
2. Resort campsites are assigned according to date of purchase, NOT earliest arrival. We want all of our guests to be comfortable and we have made every effort to accommodate all campers, however we can never guarantee a site. We will not give out site assignments to any campers prior to check-in. Remember, we cannot control the weather. If it rains, campsites will be wet. Be sure to plan and dress appropriately.
3. Due to the loss of many of our trees, we do NOT permit outside firewood to be brought into the resort. Please do not arrive with wood. You will be asked to turn around and remove it from your vehicle before you will be permitted to enter the park. Wood is available for purchase at the 93 Gate and General Store.
4. Golf Carts are NOT permitted in the Festival Grounds during The Country Fest. Festival Grounds include all primitive camping areas, electric-only camping areas, Hilltop Cabin, Whippoorwill Woods, Fireworks Hill, Adventure Park, and all other Concert/Venue areas outside of the Resort Camping Area. Because of this, only campers with sites/cabins in the resort may rent a golf cart for limited access use. Security will be manning both gates that lead from the Deluxe Grounds to the Festival/Primitive Grounds and carts will not be permitted to cross.
5. Clay's Resort is not responsible for injury, loss, theft, or damage to person or property.
6. This is a RAIN or SHINE concert. No refunds.
7. Talent line up is subject to change at any time.
8. We encourage campers to bring food and libations with you to your campsite. However, GLASS BOTTLES OF ANY KIND ARE NOT PERMITTED. Additionally, no food or beverages will be allowed into the amphitheater (with the exception of one factory sealed water bottle per person). Refreshments and spirits will be available for purchase inside.

9. Please review the [Adventure Park rules](#) listed on our website. Life jackets are required in many parts of the Adventure Swim Lake. To avoid the lines, you are welcome to bring your own coast guard approved life jacket.
10. Please help us keep our resort clean. Garbage cans will be located throughout the festival.... use them!
11. All concert viewing is general admission with the exception of Pit Passes. The area directly by the stage is standing room only. There will be a designated area further back from the stage where you are welcome to set up folding chairs or blankets for lawn seating. No canopies or pavilions will be allowed in the amphitheater area.
12. Clay's Resort is a pet friendly park, but we urge you to consider our pet policy before bringing a pet with you. Pets cannot be left at a campsite unattended, must be up to date on all vaccines, cleaned up after, leash walked, and barking kept to a minimum. Pets are not permitted in the amphitheater
13. Only campers who purchased PREMIUM or RED CARPET sites will have sewage hookups on their campsite. However, we do have dumping stations in the park for your convenience. Additionally, we will offer pumping services (based on availability) for a fee of \$45. Please ask about pumping at the time of check-in if you would like to sign up for this service.
14. HAVE FUN!!! We want to ensure a safe and pleasant festival experience for all guests. Please let us know if there is anything we can do to assist you.

Plan Ahead

Deluxe Campers use the 93 Gate.

This is the closest entrance to interstate 21. Be sure to plan ahead to avoid traffic delays.
