It's easy to go RV camping with your dog at Martha's Vineyard Family Campground! All our [RV site options](#) are pet friendly and are perfect for camping with pets. When you book one of our RV sites, you can enjoy full hook-ups, a fire ring, picnic table, and plenty of space for your pet to roam around.

Check Your Pet's Health

When camping with your pet, it's important to make sure your pet is healthy before embarking on your adventure. Many campgrounds, like Martha's Vineyard Campground, have a pet waiver you must sign. This waiver indicates that your pet is healthy and up-to-date on all of their vaccinations. This is to ensure that our campers, staff, and all furry friends are safe at our Camp-Resort!

Pet Policies & Rules

In addition to checking your pet's health, we also recommend looking into the campground's pet policies and rules. Here at Martha's Vineyard Family Campground, we have 2 major policies you should know that will help you prepare for camping with your pet.

Like most campgrounds, our Campground requires that **pets be kept on a leash at all times**, unless in your RV site. We encourage you to take walks around our wooded campground with your furry friend, but just make sure they are on a leash. This way, you can keep a close eye on your pet wherever you go!

Lastly, please make sure to always **clean-up after your pet**. Whether you're staying close to home at your cabin or campsite, or are busy exploring our Campground, it's crucial to respect nature and our fellow campers in making sure the grounds are kept clean.

Pet Camping Checklist

It's hard enough remembering what you need to bring for you and your family, so how do you prepare for camping with your pet? We made a list of items you should add to your camping checklist for your furry friend!

- **Crate/Leash:** We've touched on this before, but it's important to bring a crate and leash with you when camping with your pet.
- **Doggie Bags:** You can never bring too many! Your pet and fellow campers will thank you for it.

- **Food:** The pets have to eat, too! Don't forget to bring pet friendly food on your camping trip so they stay healthy and energized.
- **Favorite Bed:** Make your pet feel at home during your getaway by bringing their favorite pet bed! Whether you're camping in a pet friendly cabin or RV site, your pet will have plenty of space to roam (and sleep).
- **Treats, Treats, & More Treats:** All humans love a good dessert, so don't forget about your furry friend! Bring lots of treats and reward them for being the best camping companion around.

Pet-Friendly Camping Activities

Keep your pet active by taking part in a variety of pet friendly activities! At Martha's Vineyard Family Campground, we have 5 great ways to keep your pet entertained during your camping adventure.

Explore Dog-Friendly Beaches

Bring your pup along for a beach day! Many beaches on Martha's Vineyard welcome dogs at certain times of year, but **summer beach rules can vary, and many beaches do not allow dogs during the peak season**. Be sure to research the specific beach's pet rules and restrictions before heading out with your furry friend.

Hit the Hiking Trails

Martha's Vineyard has plenty of scenic trails where you and your pup can stretch your legs and explore the island together. Leash up, pack some water, and enjoy the island's beautiful wooded paths and coastal scenery.

Take a Walk Around Town

Explore the island's charming towns with your four-legged friend! Take a leisurely stroll through places like Edgartown, Oak Bluffs, or Vineyard Haven, and enjoy the shops, scenery, and historic streets along the way. Just be sure to check individual business policies before bringing your pup inside.

Enjoy the Outdoors at Campground

Sometimes the best part of vacation is simply spending time outside together. Relax at your campsite, take a walk around the campground, or let your pup enjoy some fresh island air while you unwind.

Find a Dog-Friendly Patio

After a day of exploring, grab a bite or drink at a dog-friendly outdoor patio. Martha's Vineyard has a variety of restaurants and cafés with outdoor seating, but policies can vary, so check ahead to make sure your pup is welcome.
