Solar Eclipse 2024

95% TOTALITY

On April 8, 2024, a solar eclipse will pass through 13 U.S. states and 4 Canadian provinces - and we'll be right in the path of totality! Our Camp-Resort will have prime views of the eclipse and the sun will be 95% blocked out for a small period of time. There won't be another total eclipse until 2045, so be sure to visit us this year to check out this once-in-a-lifetime experience.
