Covid-19 Guidelines/Updates *UPDATED 1.6.21

SPECTATORS:

University of Washington Athletics previously announced that after close consultation with university, local and state public health officials, as well as Seattle's professional sports franchises, it will implement a vaccine verification system for all Husky ticketed events. **All spectators 12 and older will need to provide proof of vaccination** in order to purchase tickets for the event. Additionally, in accordance with state policy, **all spectators are required to wear a mask, indoors and outdoors, regardless of vaccination status** at all Husky athletics events.

(For all other info please see the Spectator/Admissions Info)

Ticket Office Hours will be released after the Schedule is updated. Please check back on our website

COMPETITORS

- **TEAMS:** Team athletic trainers must contact Eric Onishi at erico6@uw.edu to provide verification of their team's vaccination status. Teams must do this prior to Packet Pick Up.
- **Individual/Club/Pro/Unattached Entrants:** Individual entrants will need to provide proof of vaccination with his/her/their ID at packet pick up in order to receive their bib numbers and wristbands.
*please note that due to covid procedures, all individual athlete support staff, coaches will need to purchase a ticket at the Spectator Booth

MASK PROTOCOL

- **Competitors:** must have masks on during all warm up, and while in the facility EXCEPT when racing, throwing or jumping. Competitors must be masked prior to and post race/attempt
- **Spectators:** must have masks on covering nose and mouth at ALL times. NO exceptions

Pre Meet Practice:

There will be **NO practice on the Dempsey Indoor prior** to competition as the venue will be set up late Thursday into Friday morning. The outdoor track will be available from 12-6pm on Thursday and beginning at 8am on Friday and Saturday.

Packet Pick Up:

Friday, January 28 from 12pm-8pm at Conibear Shellhouse
Saturday, January 29 from 8am-2:30pm at Conibear Shellhouse

Heat Sheets:

Heat sheets will be posted no later than Thursday morning, February 10. FINAL HEAT SHEETS (or as close as we can get to final) will be available online for coaches on Friday morning and on the timing app. Please send all scratches to dempseymeetdirector@gmail.com. This is very helpful in adjusting heats.

Parking:

Parking is South of Husky Stadium (Lot E12) w a permit or North of the Baseball Field (Lot E1/E18). Cars/vans will be charged in both lots. **DO NOT park in Lots E8 or E9, you will be ticketed/towed due to the Basketball game!** Please see attached map for bus drop off/parking. **Please Note bus drop off and athlete entry are now on the North side of the Dempsey. Please see attached map.**

Facility Entrance:

There will now be a **dedicated athlete/coach entrance on the North side of the Dempsey Indoor facility**. This will be where buses and vans now drop student athletes and coaching staff. Athletes and coaches can still use the South Entry as needed, but we highly encourage all athletes and staff to use this dedicated entrance for quicker entry. Dedicated athlete bathrooms will also be located just outside this entry. Spectators will only be permitted to enter through the traditional South entrance. Please see attached map for details.

Bathrooms:

In order to minimize lines for athletes, we will now have **designated athlete restrooms available outside of the dedicated team entrance on the North side of the Dempsey**. Athletes can also use the restrooms available to the South of the Dempsey facility in the Softball stadium. **Restroom facilities inside of the Dempsey will be CLOSED to everyone except meet officials.** Spectators will only be permitted to use the Softball Stadium restroom facilities as well as the FB Stadium East Stands restrooms, which are located past the softball facility adjacent to East practice field on your right. **Please see the attached map for further clarification.**

Check In:

ALL ATHLETES must check in at the Clerk's Station **(now located next to the Announcer's Stage at the FINISH LINE)** no later than 60 MINUTES PRIOR TO THE START OF THE EVENT. Athletes who are not checked in will risk being scratched! Athletes will report to the starting line 10 minutes prior to the start. FIELD EVENT ATHLETES should check-in at the site of the event. Field event athletes may check in any time prior to the start of their assigned flight.

Weigh Ins:

Implements will be weighed in at the SE corner of the facility beginning one hour prior to the event.

Team Camps/Designated Warm Up Space:

In an effort to create a dedicated warm up space for athletes, some adjustments have been made to the previous Team Camp area. **The previous Team Camp area has been expanded and reallocated as a designated warm up area.** We encourage teams who wish to spread out to utilize Conibear Shellhouse (see attached map) until they are ready to come warm up. That being said, teams will be permitted to set up camp on the bleachers that will be located within this warm up area. **Teams will NOT be permitted to set up camp or leave bags on the ground outside of the bleacher footprint.** Please see the attached map for clarification. We believe this will improve safety and create a better space for athletes to prepare for competition.

Wristbands:

Wristbands will be included in your packet. These must be worn at all times by COACHES AND TEAM STAFF ONLY. **Wristbands will allow you access at the athlete/staff ONLY entrance at the North side of the Dempsey.** Wristbands will also allow staff access to the catwalk for those who need to video races. We do ask that you clear the catwalk when not filming. A wristband will also allow coaches ONLY to bring coffee into the North entrance.

Showers:

Shower facilities will NOT be available.
