JACK SMITH NAMED SENIOR CLASS AWARD CANDIDATE

Senior Jack Smith was one of 30 NCAA baseball student-athletes named candidates for the 2022 Senior CLASS Award, announced last week. To be eligible for the award, a student-athlete must be classified as an NCAA Division I senior or graduate student and have notable achievements in four areas of excellence: community, classroom, character and competition. The complete list of candidates follows this release. An acronym for Celebrating Loyalty and Achievement for Staying in School®, the Senior CLASS Award focuses on the total student-athlete and encourages students to use their platform in athletics to make a positive impact as leaders in their communities. Smith is in his fifth season at WSU and is a three-time Pac-12 Conference Academic Honor Roll selection, earned his bachelor's degree in finance last spring and currently working on his master's in business administration. The Mercer Island, Wash. native was selected to the team's leadership council the past two years, has served on WSU's Student-Athlete Advisory Committee (SAAC) and helped the Cougar Baseball program work with the Whitman County Special Olympics and WSU ROAR program. The 30 candidates will be narrowed to 10 finalists later in the season, and those 10 names will be placed on the official ballot. Ballots will be distributed through a nationwide voting system to media, coaches, and fans, who will select one candidate who best exemplifies excellence in the four C's of community, classroom, character, and competition.

2021 RECRUITING CLASS RANKED AMONG NATION'S BEST

For the second straight year, WSU Baseball saw its incoming signing class ranked among the nation's best recruiting classes after Collegiate Baseball rated WSU's incoming 2021 class No. 40 in the country. The class, which begins his first season on the field, was the seventh-best class in the Pac-12 Conference ahead of Arizona State (42), Washington (43), California and Utah and also ahead of notable schools Michigan (41), UC Santa Barbara (48), Nebraska, Cal State Fullerton, UC Irvine and Gonzaga. The 2021 Cougar class also features the top-rated junior college class according to JBB Baseball.

WSU, BRIAN GREEN AGREE TO CONTRACT EXTENSION THROUGH 2026

WSU Director of Athletics Pat Chun announced in September that Brian Green has signed a contract extension through the 2026 season. Green's initial contract was a five-year contract signed in 2019. "We respect the history and tradition of our Cougar Baseball program and the responsibility we have to uphold it," said Chun. "Over the past two years, Coach Brian Green has rekindled the passion and pride Cougs have for our baseball program. We are fortunate to have Coach Green and look forward to having him lead our program for many years to come."

IN THE CLASSROOM, IN THE COMMUNITY

Head coach Brian Green emphasized winning in the classroom and the community in his introductory press conference and the Cougs backed him up in his first two years at WSU.

- This past fall, WSU posted its highest semester team GPA (3.14) in program history after 31 players posted a 3.0 GPA or better in the semester. WSU has set program records for team GPA in three straight fall semesters. The 3.14 mark broke the 3.09 record set in the 2020 fall semester with broke the record of 3.05 set in the fall of 2019.

- In January of 2020, WSU gathered at a local elementary school and helped the Whitman County Special Olympics with basketball practice.
- This past summer, WSU partnered with WSU ROAR to host a Lentil Cookoff. WSU ROAR is a two-year postsecondary education program for students with intellectual and developmental disabilities.

Washington State broke ground on the Cougar Baseball Facility Project: BTO (Back to Omaha) in October of 2019 and officially moved into its new home this past January. The state-of-the-art facility features a \$10 million clubhouse facility, a new entrance to Bailey-Brayton Field, a 1,300 square-foot locker room, a 1,500 square-foot weight room, academic area, team meeting room, areas for Cougar equipment, nutrition and athletic medicine, coaches offices as well as recognition of WSU's storied history. THREE COUGARS SELECTED IN MLB DRAFT

Washington State saw three players selected in the 2021 Major League Baseball Draft in July. Two-time All-American first baseman Kyle Manzardo was selected in the second round by the Tampa Bay Rays, pitcher Zane Mills was selected in the fourth round by the St. Louis Cardinals and pitcher Brandon White was selected in the 12th round by the Miami Marlins. Manzardo, taken as the No. 63 overall pick, is the highest draft pick for the Cougars since Scott Hatteberg was selected in the first round compensation round and No. 43 overall in 1991. Mills, taken as the No. 120 overall pick, is the highest Cougar pitcher drafted since Adam Conley was taken in the second round and No. 72 overall by the Florida Marlins in 2011. Manzardo and Mills are the first set of Cougar teammates drafted in the first four rounds of the same draft since Aaron Sele and Scott Hatteberg were both taken in the first round of the 1991 draft. White, taken as the No. 359 overall pick, marked the first time WSU has had three players drafted in the first 12 rounds since 1977. All three players signed professional contracts.

JOHN OLERUD NAMED PAC-12 PLAYER OF THE CENTURY

The Pac-12 Conference inducted Cougar legend John Olerud into the Pac-12 Hall of Honor in 2019. Olerud was named the Pac-12 Conference's Baseball Player of the Century in 2016. During his three seasons in a Cougar uniform, Olerud (1987-89) had one of the finest careers of any Cougar student-athlete, in any sport, in Washington State history, rewriting the WSU record books and becoming the only Cougar baseball athlete ever to be named College Athlete of the Year. In 1988, Olerud became the only player in NCAA history to win 15 games on the mound and hit 20 home runs in the same season, going 15-0 with 23 home runs that year. Olerud went 26-4 overall with a 3.17 ERA over 241.1 innings during his three seasons, hitting .434. He set two Pac-10 records and 10 Pac-12 North marks, highlighted by his sophomore season when he was named Athlete of the Year by Baseball America. In January prior to his junior year at WSU, Olerud suffered a subarachnoid hemorrhage, a type of brain seizure. He missed the first 28 games of the spring season, but returned to hit .359 for WSU over the final 27 games. Prior to his senior season, Olerud signed a contract with Toronto and went directly to the Major Leagues. In 1993, he became the first Blue Jay to win a batting title, hitting .363. Olerud played for Toronto, the New York Mets and Yankees, Seattle and Boston during his 17-year career, winning back-to-back World Series titles with Toronto in 1992 and 1993. In 2001 he joined his father, John Sr., in the WSU Athletics Hall of Fame, and is a member of the College Baseball, State of Washington and Inland Northwest Sports Halls of Fame. The John Olerud Two-Way Player of the Year Award, given annually by the College Baseball Hall of Fame, was named in his honor and in 2016, he was named the Pac-12 Conference Player of the Century.

8TH SEASON		206-173-1 (47-51 WSU, 18-30 Pac-12)	

Brian Green is in his third season leading the Cougars after being named the 17th baseball coach in Washington State history June 3, 2019.

In just his second season leading the Cougars, Green guided WSU to its first winning season since 2015 and the most Pac-12 Conference wins since 2014 after posting conference series wins at Utah, at California, against No. 8 Oregon and Washington. WSU went 26-23 overall and 13-17 in conference play while tying for the most road wins (16) by any Power-5 Conference team. In the classroom, Green saw his team post a program-record 3.09 GPA in the fall semester as 30 players recorded a GPA of 3.0 or higher and 17 players earned Pac-12 Spring Academic Honor Roll honors. Green also signed his second-straight nationally ranked recruiting class for the 2022 season including the best junior college class in the country according to JBB baseball. Also in 2021, Green served as the West Region representative on the American Baseball Coaches Association (ABCA) All-American Committee.

Green saw his offense finish the 2021 season leading the Pac-12 and fifth in the country in doubles-per-game (2.4), second in the conference in hitting (.302), third in extra-base hits (101) and third in scoring (7.2 runs/g) while pacing the league with 74 doubles in conference games. First baseman Kyle Manzardo was named to the All-America First Team by Collegiate Baseball, earning All-America honors for the second straight season after hitting .365 with 19 doubles, 11 home runs and 60 RBI, the first Cougar with 60 RBI since 2008. The Cougar pitching staff produced a pair of Major League Baseball draft picks; Zane Mills (4th) and Brandon White (12th), Mills won two Pac-12 Pitcher of the Week awards and reliever Michael Newstrom set the program record for appearances while the staff finished fifth in the Pac-12 in strikeouts-per-game (9.3) and recorded the second-most strikeouts (437) in program history.

The Cougars produced three draft picks in 2021 led by two-time All-American Manzardo who was selected in the second round and No. 63 overall by the Tampa Bay Rays, the highest Cougar draft pick since 1991. Manzardo was joined by Zane Mills (4th round, St. Louis) and Brandon White (12th round, Miami) to give WSU three draft picks in the first 12 rounds for the first time since 1977. Green also saw three players earn All-Pac-12 Conference honors as Manzardo and designated hitter Tristan Peterson were named the All-Pac-12 team while catcher Jake Meyer received honorable mention, the first Cougar catcher to earn all-conference honors since 2013.

Green's first season with the Cougars was limited to just 16 games in 2020 due to the COVID-19 pandemic but saw WSU post impressive numbers on and off the field. Green and his coaching staff focused on building a culture as the Cougars connected with the Pullman community immediately in Green's first fall semester at WSU, volunteering with a number of organizations including the Salvation Army and Whitman County Special Olympics. In the classroom, 22 players posted a fall semester GPA of 3.0 or higher and the team combined for a 3.05 team GPA, the highest team GPA in program history.

The culture Green created in the fall carried over into the spring as the Cougars opened the 2020 season claiming a 5-2 win at CSU Bakersfield, WSU's first season-opening win since 2011. Washington State tallied three wins in their final at-bats, recorded a series win over Rutgers in Arizona, the first series-win over a Big Ten Conference opponent in program history, and followed with a four-game series sweep of Niagara at Bailey-Brayton Field. The Cougars went 9-7 overall, won seven of their final nine games and went 4-1 at home.

WSU finished the season third in the Pac-12 in hits, home runs and hit-by-pitches and tied for second in the country in sacrifice bunts. Individually, first baseman Kyle

Manzardo was named to the All-America Third Team by Collegiate Baseball, becoming WSU's first since 2006 after finishing the shortened season with a .435 batting average, seven doubles, three home runs, 14 RBI, a .500 on-base percentage and a Pac-12 best 27 hits. The pitching staff posted improved numbers in nearly every category in the first season under Green led by Zane Mills who tied for third in wins, was fourth in strikeouts and was seventh in batting average against while senior A.J. Block made the most of his decision to return to school after being drafted in the 17th round the prior summer. Block led the Pac-12 in innings, tied for second in strikeouts and became the first Cougar pitcher in the last 33-plus seasons to record 10-strikeout games in three straight starts.

In the 2020 Major League Baseball Draft, Green saw one of his former players make history as New Mexico State infielder Nick Gonzales, the 2020 Collegiate Baseball Newspaper National Player of the Year, was selected as the seventh overall pick by the Pittsburgh Pirates, becoming the highest drafted player in program history. For the Cougars, with the MLB Draft limited to just five rounds, WSU senior lefthander A.J. Block signed a free agent contract with the Kansas City Royals.

On the recruiting front in his first season with the Cougars, WSU signed the fifth-ranked junior college recruiting class led by a Preseason Junior College Two-Way Player of the Year and also signed four of the Top-10 high school prospects in the state of Washington. The entire 2021 class was ranked the No. 29 recruiting class in the country by Collegiate Baseball, ahead of conference foes Oregon State, Oregon, California and Washington, along with SEC members Texas A&M and Kentucky. Green continued the recruiting success with an impressive 2022 signing class this past November, signing the nation's best junior college class according to JBB.

Green spent the previous five seasons as the head coach at his alma mater New Mexico State where he led the Aggies to a 2019 Western Athletic Conference regular-season championship and an NCAA Regional appearance in 2018. Green led NMSU to an historic four-year stretch that saw the Aggies record 34 wins or more in each of the last four seasons and also signed four-straight nationally recognized recruiting classes along the way. Green has appeared in seven NCAA Regionals as a head coach or assistant coach at the Division I level.

In his five years at NMSU, Green produced nine All-Americans including three 2019 first-team selections, 26 All-WAC honorees, a pair of Player of the Year selections, one Pitcher of the Year, one Freshman of the Year and 22 WAC All-Academic selections. Since 2016, Green helped send 12 players to the professional ranks, including a trio of top six round picks the last three years.

Green's offense finished the 2019 regular season with a NMSU-record .356 batting average and led the country in batting average, runs, runs per game, hits, triples, on base percentage, slugging percentage and hit by pitch. Individually, shortstop Joey Ortiz was named the WAC Player of the Year, a semifinalist for the Brooks Wallace Award (best shortstop in the country) and Dick Howser Award (best player in the country) while second baseman Nick Gonzales was also a semifinalist for the Howser Award and the Golden Spikes Award (national player of the year).

Off the field, Green's program earned the NMSU Athletics Community Service Award for the fourth straight year in 2019 and set the program attendance record for the fourth time since 2015. The program accumulated over 6,000 hours of Community Service since Green took over the program. The Aggies partnered with Special Olympics New Mexico, the Meca Miracles and the Las Cruces Special Needs in establishing each groups specific day at the ballpark to interact with the Aggie Players. In the fall

of 2015, NM State Baseball was recognized for Community outreach with their video production of "Special Needs Day".

The Aggies excelled in the classroom since Green took over in the fall of 2014, posting a cumulative team GPA of 3.01, placing 13 players on the WAC All-Academic team and 34 Aggie ball players were named Crimson Scholars.

Green guided the Aggies to a historic season in 2018, leading the team to a 40-22 overall record, a 17-7 mark in WAC play, the first WAC Tournament title and the fourth NCAA Regional appearance in program history. In his second season, Green guided the Aggies to the best win improvement in all of college baseball. The turnaround was a few wins shy of the biggest turnaround in NCAA history. After compiling a record of 11-38-1 in 2015, Green and the Aggies finished 2016 with a record of 34-23.

NMSU placed seven players on the 2018 All-Conference Team and three claimed All-American honors, Jonathan Groff became the first conference pitcher of the year in program history while Nick Gonzales earned WAC Freshman of the Year honors, the first Aggie to receive the honor in the school's history in the WAC. Groff, pitcher Kyle Bradish and Gonzales all captured All-American honors with Groff earning Collegiate Baseball Newspaper Second Team honors while Bradish was named a third-team selection by Perfect Game/Rawlings and Gonzales captured Freshman All-American honors from three different publications (Collegiate Baseball Newspaper, NCBWA and Perfect Game/Rawlings).

In just his second season, Green helped guide the Aggies to the best win improvement in all of college baseball. The turnaround was a few wins shy of the biggest turnaround in NCAA history. After compiling a record of 11-38-1 in 2015, Green and the Aggies finished 2016 with a record of 34-23. Among the 34 wins was a road upset of nationally ranked and eventual College World Series participant, Texas Tech.

Prior to making a return to New Mexico State, Green was an assistant coach at Kentucky for six seasons (2009-14) where he transformed the Wildcat offensive attack as UK's offensive coordinator and infield defensive coach. Green's dynamic offense was paced by one of the best players in the history of college baseball in 2014, two-way star and Golden Spikes Award Winner, AJ Reed. The first pick of the second round in the 2014 MLB Draft by the Houston Astros, Reed was named the Dick Howser Trophy Award winner, the Baseball America College Player of the Year, and the John Olerud Award, given to the nation's top two-way player.

A native of Temecula, Calif., Green was a four-year assistant coach at UCLA (2005-08) before going to Kentucky as one of the top hitting instructors in college baseball. Green helped lead the Bruins to three consecutive NCAA Regional appearances and to the Super Regionals in 2007. Green's shortstop at UCLA, Brandon Crawford, solidified himself as one of the best young shortstops in the big leagues while playing with the 2012 World Series Champion San Francisco Giants and earned another championship ring in 2014.

Other stops for Green include Hawaii, Oregon State, San Diego, Chapman University, Cal Poly-Pomona, Riverside Community College and New Mexico State.

Green, 48, graduated from New Mexico State with a degree in business management in 1995 and earned his master's degree in education from National University in 1997.

He is married to the former Becki Francis and they have two daughters, Emily and Zoe.
