KYLE MANZARDO NAMED PRESEASON ALL-AMERICAN

Junior first baseman Kyle Manzardo was named to the 2021 Preseason All-America Third Team by Collegiate Baseball and the National Collegiate Baseball Writers Association. Manzardo, who earned All-American third-team honors from Collegiate Baseball last season, finished a shortened 2020 season with a .435 batting average with seven doubles, three home runs, 14 RBI, a .500 on-base percentage and a Pac-12 best 27 hits. The Coeur d'Alene, Idaho native tied for the league lead in doubles, was second in batting average and was fourth in slugging (.694) and runs scored (21). Manzardo recorded a hit in all 16 games Washington State played in 2020, finished the season with five straight multiple-hit games, led the team with nine multiple-hit games and will take a 17-game hitting streak into the 2021 season, tied for the sixth-longest hitting streak in the program history. Manzardo also earned WSU's first Pac-12 Player of the Week Award since 2016 following a monster weekend at the plate in the four-game series sweep of Niagara in Pullman. Manzardo became the first Cougar All-American since Jared Prince (OF/P) and Jay Miller (OF) each earned third team honors in 2006 and was WSU's first All-American infielder since Ray Hattenburg (UTL) earned honorable mention in 1999 and Casey Kelley (1B) was a third-team selection in 1998. Prince (2006), Derek Jones (2009) and Ian Hamilton (2014) each earned Freshman All-America honors. Hamilton was the last Cougar to receive preseason All-American recognition back prior to the 2016 season.

COUGARS WELCOME NATIONALLY RANKED RECRUITING CLASS

WSU's 2020 signing class, who will don the crimson and gray in 2021 was rated the No. 29 recruiting class in the country according to Collegiate Baseball. The class is ranked sixth-best in the Pac-12 Conference, ahead of conference foes rivals Oregon State, Oregon, California and Washington, SEC members Texas A&M and Kentucky along with Big West Conference leaders Cal State Fullerton, UC Irvine and Long Beach State. Also last summer, the class was ranked among the Top-40 incoming classes in the country, according to Perfect Game while the Cougar's junior college newcomers were ranked the fifth-best junior college recruiting class according to JBB Juco Baseball. Three of the Cougar freshmen, shortstop Kyle Russell (No. 195), right-handed pitcher Duke Brotherton (No. 206) and outfielder Keith Jones (No. 423) were ranked among Perfect Game's Top-500 players nationally. Four Cougar signees were rated among the Top-11 high school prospects in Washington including Russell (No. 2), Brotherton (No. 3), infielder Cody Dreis (No. 8), right-handed pitcher Tyler Hoeft (No. 11) while Louie Albrecht is the top-rated catcher prospect in Washington. The class got a big boost over the summer as former New Mexico State All-American first baseman Tristan Peterson transferred to WSU and was ranked the sixth-best transfer in the country by Baseball America.

IN THE CLASSROOM, IN THE COMMUNITY

Head coach Brian Green emphasized winning in the classroom and the community in his introductory press conference and the Cougs backed him up in his first two years at WSU.

- This past fall, the baseball program posted its highest semester GPA (3.09) in program history after 15 players posted a 3.0 GPA or better in the semester. The 3.09 mark broke the record of 3.05 set in the fall of 2019.
- The team started a viral campaign under Green named Meet The Professor where each baseball student-athlete introduces themselves and takes a selfie with their professor in the first class of each semester.
- Last January, the team gathered at a local elementary school and helped the Whitman County Special Olympics with basketball practice.

NCAA, PAC-12 CANCELED REMAINDER OF 2020 SEASON DUE TO COVID-19

At a meeting of the Pac-12 CEO Group and Athletic Directors March 14, 2020, the Pac-12 made the decision to cancel all Pac-12 conference and non-conference sport competitions and Pac-12 championships through the end of the academic year, including spring sports that compete beyond the academic year. WSU's season was canceled prior to hosting its Pac-12 Conference opening series against California. The Division I Council voted March 30, 2020 to allow schools to provide spring-sport student-athletes an additional season of competition and an extension of their period of eligibility.

JOHN OLERUD NAMED PAC-12 PLAYER OF THE CENTURY

The Pac-12 Conference inducted Coug legend John Olerud into the Pac-12 Hall of Honor in 2019. Olerud was named the Pac-12 Conference's Baseball Player of the Century in 2016. During his three seasons in a Cougar uniform, Olerud (1987-89) had one of the finest careers of any Cougar student-athlete, in any sport, in Washington State history, rewriting the WSU record books and becoming the only Cougar baseball athlete ever to be named College Athlete of the Year. In 1988, Olerud became the only player in NCAA history to win 15 games on the mound and hit 20 home runs in the same season, going 15-0 with 23 home runs that year. Still holding numerous WSU records, Olerud went 26-4 overall with a 3.17 ERA over 241.1 innings during his three seasons, hitting .434 for Washington State. He set two Pac-10 records and 10 Pac-10 North marks, highlighted by his sophomore season when he was named Athlete of the Year by Baseball America. In January prior to his junior year at WSU, Olerud suffered a subarachnoid hemorrhage, a type of brain seizure. He missed the first 28 games of the spring season, but returned to hit .359 for WSU over the final 27 games. Prior to his senior season, Olerud signed a contract with Toronto and went directly to the Major Leagues. In 1993, he became the first Blue Jay to win a batting title, hitting .363. Olerud played for Toronto, the New York Mets and Yankees, Seattle and Boston during his 17-year career, winning back-to-back World Series titles with Toronto in 1992 and 1993. In 2001 he joined his father, John Sr., in the WSU Athletics Hall of Fame, and is a member of the College Baseball, State of Washington and Inland Northwest Sports Halls of Fame. The John Olerud Two-Way Player of the Year Award, given annually by the College Baseball Hall of Fame, was named in his honor and in 2016, he was named the Pac-12 Conference Player of the Century, selected by a 36-member blue ribbon panel of experts selected by the conference.

**Brian
GREEN**
Head Coach
2nd Year

Brian Green begins his second season leading the Cougars after being named the 17th baseball coach in Washington State history June 3, 2019.

Green's first season with the Cougars was limited to just 16 games due to the COVID-19 pandemic but saw WSU post impressive numbers on and off the field. Green and his coaching staff focused on building a culture as the Cougars connected with the Pullman community immediately in Green's first fall semester at WSU, volunteering with a number of organizations including the Salvation Army and Whitman County Special Olympics. In the classroom, 22 players posted a fall semester GPA of 3.0 or higher and the team combined for a 3.05 team GPA, the highest team GPA in program history.

The culture Green created in the fall carried over into the spring as the Cougars opened the 2020 season claiming a 5-2 win at CSU Bakersfield, WSU's first season-opening win since 2011. Washington State tallied three wins in their final at-bats, recorded a series win over Rutgers in Arizona, the first series-win over a Big Ten Conference opponent in program history, and followed with a four-game series sweep of Niagara at Bailey-Brayton Field. The Cougars went 9-7 overall, won seven of their final nine games and went 4-1 at home.

WSU finished the season third in the Pac-12 in hits, home runs and hit-by-pitches and tied for second in the country in sacrifice bunts. Individually, first baseman Kyle Manzardo was named to the All-America Third Team by Collegiate Baseball, becoming WSU's first since 2006 after finishing the shortened season with a .435 batting average, seven doubles, three home runs, 14 RBI, a .500 on-base percentage and a Pac-12 best 27 hits. The pitching staff posted improved numbers in nearly every category in the first season under Green led by Zane Mills who tied for third in wins, was fourth in strikeouts and was seventh in batting average against while senior A.J. Block made the most of his decision to return to school after being drafted in the 17th round the prior summer. Block led the Pac-12 in innings, tied for second in strikeouts and became the first Cougar pitcher in the last 33-plus seasons to record 10-strikeout games in three straight starts.

In the 2020 Major League Baseball Draft, Green saw one of his former players make history as New Mexico State infielder Nick Gonzales, the 2020 Collegiate Baseball Newspaper National Player of the Year, was selected as the seventh overall pick by the Pittsburgh Pirates, becoming the highest drafted player in program history. For the Cougars, with the MLB Draft limited to just five rounds, WSU senior lefthander A.J. Block signed a free agent contract with the Kansas City Royals.

On the recruiting front in his first season with the Cougars, WSU signed the fifth-ranked junior college recruiting class led by a Preseason Junior College Two-Way Player of the Year and also signed four of the Top-10 high school prospects in the state of Washington. The entire 2021 class was ranked the No. 29 recruiting class in the country by Collegiate Baseball, ahead of conference foes Oregon State, Oregon, California and Washington, along with SEC members Texas A&M and Kentucky. Green continued the recruiting success with an impressive 2022 signing class this past November, signing the nation's best junior college class according to JBB.

Green spent the previous five seasons as the head coach at his alma mater New Mexico State where he led the Aggies to a 2019 Western Athletic Conference regular-season championship and an NCAA Regional appearance in 2018. Green led NMSU to an historic four-year stretch that saw the Aggies record 34 wins or more in each of the last four seasons and also signed four-straight nationally recognized recruiting classes along the way. Green has appeared in seven NCAA Regionals as a head coach or assistant coach at the Division I level.

In his five years at NMSU, Green produced nine All-Americans including three 2019 first-team selections, 26 All-WAC honorees, a pair of Player of the Year selections, one Pitcher of the Year, one Freshman of the Year and 22 WAC All-Academic selections. Since 2016, Green helped send 12 players to the professional ranks, including a trio of top six round picks the last three years.

Green's offense finished the 2019 regular season with a NMSU-record .356 batting average and led the country in batting average, runs, runs per game, hits, triples, on base percentage, slugging percentage and hit by pitch. Individually, shortstop Joey Ortiz was named the WAC Player of the Year, a semifinalist for the Brooks Wallace Award (best shortstop in the country) and Dick Howser Award (best player in the country) while second baseman Nick Gonzales was also a semifinalist for the Howser Award and the Golden Spikes Award (national player of the year).

Defensively, the Aggies posted an impressive .974 fielding percentage a year after breaking the single-season school record with a .977 clip in 2018. On the mound, Green watched Chance Hroch put together one of the best seasons by an Aggie pitcher in program history, finishing with a 10-1 mark and a 2.74 ERA in 15 starts while earning first team All-Conference accolades.

Off the field, Green's program earned the NMSU Athletics Community Service Award for the fourth straight year in 2019 and set the program attendance record for the fourth time since 2015. The program accumulated over 6,000 hours of Community Service since Green took over the program. The Aggies partnered with Special Olympics New Mexico, the Meca Miracles and the Las Cruces Special Needs in establishing each groups specific day at the ballpark to interact with the Aggie Players. In the fall of 2015, NM State Baseball was recognized for Community outreach with their video production of "Special Needs Day".

The Aggies excelled in the classroom since Green took over in the fall of 2014, posting a cumulative team GPA of 3.01, placing 13 players on the WAC All-Academic team and 34 Aggie ball players were named Crimson Scholars.

Green guided the Aggies to a historic season in 2018, leading the team to a 40-22 overall record, a 17-7 mark in WAC play, the first WAC Tournament title and the fourth NCAA Regional appearance in program history. In his second season, Green guided the Aggies to the best win improvement in all of college baseball. The turnaround was a few wins shy of the biggest turnaround in NCAA history. After compiling a record of 11-38-1 in 2015, Green and the Aggies finished 2016 with a record of 34-23.

NMSU placed seven players on the 2018 All-Conference Team and three claimed All-American honors, Jonathan Groff became the first conference pitcher of the year in program history while Nick Gonzales earned WAC Freshman of the Year honors, the first Aggie to receive the honor in the school's history in the WAC. Groff, pitcher Kyle Bradish and Gonzales all captured All-American honors with Groff earning Collegiate Baseball Newspaper Second Team honors while Bradish was named a third-team selection by Perfect Game/Rawlings and Gonzales captured Freshman All-American honors from three different publications (Collegiate Baseball Newspaper, NCBWA and Perfect Game/Rawlings).

In June of 2018, Bradish became the highest drafted player in program history when the Los Angeles Angels selected him in the fourth round (121 overall). Bradish became the third Aggie since 2016 to be drafted in the top six rounds.

In 2017, Green led the Aggies to a 35-20 overall record and 19-5 mark in Western Athletic Conference in 2017. At season's end, NMSU ranked in the top-25 nationally in multiple categories. Under Green's leadership the Aggies saw seven players earn postseason honors, the most in school history since 2012. Behind the plate, Fishback earned a Second-Team All-American nod from the Collegiate Baseball Newspaper. Sakurai was also named to the Midwest All-Region Second-Team as voted on by members of the. Following the season, pitcher Marcel Renteria was selected in the sixth round by the New York Mets, just the fifth NMSU player all-time to be drafted in the first 10 rounds.

In just his second season, Green helped guide the Aggies to the best win improvement in all of college baseball. The turnaround was a few wins shy of the biggest turnaround in NCAA history. After compiling a record of 11-38-1 in 2015, Green and the Aggies finished 2016 with a record of 34-23. Among the 34 wins was a road upset of nationally ranked and eventual College World Series participant, Texas Tech.

In the offseason leading up to the 2016 campaign, Green and his staff were recognized for having the 37th-best recruiting class in the country as rated by Collegiate Baseball. Green didn't stop there as Collegiate Baseball ranked their 2017 recruiting class 33rd best in the country, marking the 12th-consecutive year he has racked up a ranked class from a national publication.

Green mentored five players from the 2016 roster that earned all-conference honors at the conclusion of the 2016 regular season – including Johnson, the Western Athletic Conference Player of the Year. Johnson was the easy choice for WAC Player of the Year after batting .382 with 12 home runs, 50 RBI and 29 stolen bases, earning ABCA/Rawlings Third Team All-American honors while finishing the 2016 campaign fourth in the country in hits.

Green helped engineer a near 3-run improvement in team ERA from 2015 to 2016, compiling a 4.61 team ERA in 2016, the second-best in program history. At the conclusion of the 2016 campaign, pitcher Kyle Bradish became the first Aggie hurler to earn Freshman All-American honors, finishing the season with the most strikeouts by a freshman in program history.

Of the three players that were drafted in the 2016 MLB Draft, Johnson went in the fifth round to the Washington Nationals, the second-highest draft pick in school history while Galindo was selected by the San Diego Padres in the 13th round and Erwin was selected by the Baltimore Orioles in the 23rd round. In 2015, Quinton Mack went in the 35th round to the Arizona Diamondbacks.

The Aggies also set school records for season ticket sales in back-to-back years and almost tripled the previous record, as well as setting records for gate attendance and revenue earned since the fall of 2014. In addition, Aggie baseball had RV's routinely in attendance for home baseball weekends.

Prior to making a return to New Mexico State, Green was an assistant coach at Kentucky for six seasons (2009-14) where he transformed the Wildcat offensive attack as UK's offensive coordinator and infield defensive coach. Green's dynamic offense was paced by one of the best players in the history of college baseball in 2014, two-way star and Golden Spikes Award Winner, AJ Reed. The first pick of the second round in the 2014 MLB Draft by the Houston Astros, Reed was named the Dick Howser Trophy Award winner, the Baseball America College Player of the Year, and the John Olerud Award, given to the nation's top two-way player.

A native of Temecula, Calif., Green was a four-year assistant coach at UCLA (2005-08) before going to Kentucky as one of the top hitting instructors in college baseball. Green helped lead the Bruins to three consecutive NCAA Regional appearances and to the Super Regionals in 2007. Green's shortstop at UCLA, Brandon Crawford, solidified himself as one of the best young shortstops in the big leagues while playing with the 2012 World Series Champion San Francisco Giants and earned another championship ring in 2014.

Other stops for Green include Hawaii, Oregon State, San Diego, Chapman University, Cal Poly-Pomona, Riverside Community College and New Mexico State.

Green, 48, graduated from New Mexico State with a degree in business management in 1995 and earned his master's degree in education from National University in 1997.

He is married to the former Becki Francis and they have two daughters, Emily and Zoe.
