

Deliver us from Evil

The Lord's Prayer #5

Matthew 6:13

Lead us not into temptation, but deliver us from evil

OR

And don't let us yield to temptation but rescue us
from the evil one

Temptations, tests, trials

- Too much change
- Bullying

- What would you do?
- What would Jesus do?

“Lead us not...”

From the Greek ‘eisphero’

- **Causative: do not make us / cause us to be tempted or go through trials**
- **Permissive: do not permit / allow us to go into temptations or trials**

John Calvin

“Being conscious of our own weakness, we ask to be defended by God’s protection, that we may have an impregnable position against all devices of Satan”
