

chance

The image features a complex abstract design. The top half is a white background with a grid of thin vertical lines. Below this, a large black shape resembling a stylized 'W' or a mountain range is set against a yellow background. The bottom half of the image is a solid black field. In the center of this black field, the word 'chance' is written in a white, lowercase, sans-serif font. Below the word 'chance', there are several white geometric shapes: a vertical bar, a small square, and a vertical line, all positioned centrally.
