

## Forty-six and 2

Join in my  
Join in my child  
and listen ...  
Digging through  
My old numb shadow

My shadow's shedding skin and  
I've been picking Scabs again.  
I'm down, digging through my old muscles  
Looking for a clue.

I've been crawling on my belly  
Clearing out what could've been.  
I've been wallowing in my own confused  
And insecure Delusions  
For a piece to cross me over  
Or a word to guide me in.  
I wanna feel the changes coming down.  
I wanna know what I've been hiding in

My shadow  
My shadow

Change is coming through my shadow.  
My shadow's shedding skin  
I've been picking  
My scabs again.

I've been crawling on my belly  
Clearing out what could've been.  
I've been wallowing in my own chaotic,  
And insecure delusions.  
I wanna feel the change consume me  
Feel the outside turning in  
I wanna feel the metamorphosis and  
Cleansing I've endured within

My shadow  
My shadow  
Change is coming, now is my time.  
Listen to my muscle memory.  
Contemplate what I've been clinging to.  
Forty-six and 2 ahead of me

I choose to live and to grow,  
take and give and to move,  
learn and love and to cry,  
kill and die and to be paranoid and to lie,  
hate and fear and to do  
what it takes to move through.

I choose to live and to Lie,  
Kill and give and to die,  
learn and love and to do  
what it takes to step through.

See my shadow changing,  
Stretching up and over me.  
Soften this old armor.  
Hoping I can clear the way  
By stepping through my shadow.  
Coming out the other side.  
Step into the shadow.  
Forty-six and 2 are just ahead of me.

Love You  
Forever!
