

Fall Softly

Fall softly, little flakes, upon her grave
 And pile in billowed heaps above her,
 Sift gently through the grey white clouds
 And cover her with softness,
 Fall silently above her once gay form
 And be a cloak of love around her.
 Fall gently now upon her grave
 And give her dreams immortal,
 And then fall softly on my heart
 To make me brave without her.

~ Annabea Anderson

In Loving Memory

Annabea Wayman Anderson

1922 ~ 2021
