

Bonnie had hundreds of quotes that she saved on Pinterest.  
They ranged from funny to inspirational to philosophical.  
We thought she'd like us to share some with you...

- I decided to take an aerobics class. I bent, twisted, gyrated, and jumped up and down for an hour. But, by the time I got my leotard on, the class was over.
- How you make others feel about themselves says a lot about you.
- Forget it enough to get over it, remember it enough so it doesn't happen again.
- Don't stumble over something behind you.
- Everything happens for a reason. But sometimes the reason is that you're stupid and you make bad decisions.
- You don't have to be great to start, but you have to start, to be great.

- At first glance it may appear too hard. But look again. Always look again.
- One small crack does not mean that you are broken; it means that you were put to the test and you didn't fall apart.
- Sometimes all you need is \$500 million dollars.
- People will forget what you said. People will forget what you did. But people will never forget how you made them feel.
- Do all things with kindness.

## Abide with Me

1. Abide with me! fast falls the eventide;  
The darkness deepens. Lord, with me abide!  
When other helpers fail and comforts flee,  
Help of the helpless, oh, abide with me!

2. Swift to its close ebbs out life's little day.  
Earth's joys grow dim; its glories pass away.  
Change and decay in all around I see;  
O thou who changest not, abide with me!

3. I need thy presence ev'ry passing hour.  
What but thy grace can foil the tempter's pow'r?  
Who, like thyself, my guide and stay can be?  
Thru cloud and sunshine, Lord, abide with me!

Thank you everyone for the friendship and loving connections you had with our wonderful Mom! If she knew you, she loved you; or at least you knew she really, really liked you, and she meant it! :) We honor her life as we seek to be kind and friendly to everyone we meet. Boy, was she ever good at that! If you leave her "life celebration" today, happy to have known her and ready to get back to and enjoy yours, she would be so thrilled! Thank you for coming to show your love for her and support of us.  
(We love you too!)
