

"How lucky I am

*to have
something
that makes*

saying goodbye so hard...."

A.A.Milne

"If ever there is tomorrow
when we're not together...
there is something you must always
remember.

You are braver than you believe,
stronger than you seem
and smarter than you think.

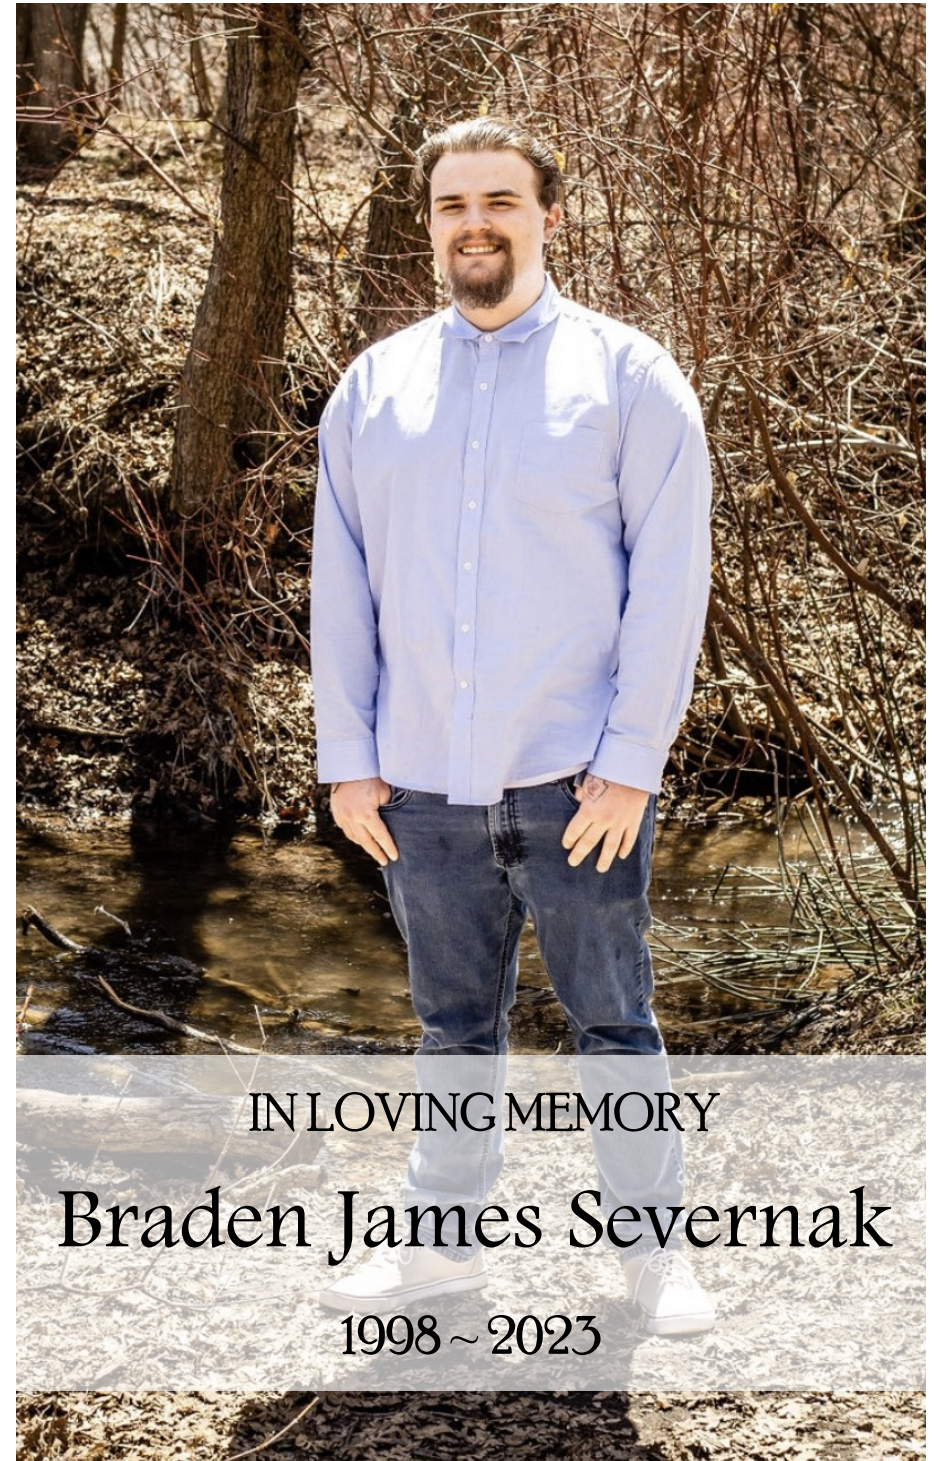

But the most
important thing is,
even if we're apart...
I'll always be with you."

A.A.Milne

*"I think we dream so we don't have to
be apart for so long. If we're in each
other's dreams, we can be together all
the time."*

A.A.Milne
