

## *"Watching Over Me"*

I walk through the woods and I'm brought to my knees  
As I watch the light weave its way through the trees  
And I know.....that you are watching over me

Hearing the wind with my toes in the sand  
Look up to the clouds and I understand  
Yes I know.....that you are watching over me

Chorus: Ohhhhh, what a glorious world this  
(repeat)

My heart feels with wonder, what is your disguise  
This world makes it hard to tell truth from the lies  
But I know.....that you are watching over me

I'll cherish your words and long for your praise  
I'll carry your love til the end of my days  
And I know.....that you are watching over me

Bridge: the laughs the cries, hellos goodbyes  
It's a journey that we've just begun  
And in the end we'll meet again  
But for know its been a good run  
What a glorious world it is

As I sit her beside what's been left to the earth  
Of your light giving life, irreplaceable worth  
I still know.....you are watching over me  
Yes, I know.....you are watching over me
