POEM

If anyone can take anything away from  
losing a loved one, this is what I  
recommend - remember this.  
And one day you realize that it wasn't the game,  
it was who you watched it with.  
It wasn't about the house you owned.  
It was the people in it.  
It wasn't about the best coffee ever,  
but who you made it for.  
It wasn't all the work you put in,  
but who was in the trenches with you.  
It wasn't the great dinner prepared for you.  
It was who brought you your plate.  
You have to learn how to value the time that  
someone gives you because that's something they  
will never get back.  
It's priceless.  
When you're at the end of your years,  
what's really going to matter?  
Live life now, enjoy what you have now!  
Because...  
tomorrow is not guaranteed!
