

In Loving Memory

If we could have a lifetime wish,  
A dream would come true,  
We'd pray to God with all our hearts  
For yesterday and you.

A million words can't bring you back,  
We know because we've tried,  
And neither can a million tears,  
We know because we've cried.

You left behind our broken hearts,  
And happy memories too,  
And while we love our memories,  
We only just want you.
