BRIGHTLY BEAMS OUR FATHER'S MERCY

Text and music by Phillip Paul Bliss

Brightly beams our Father's mercy
From His lighthouse evermore:
But to us He gives the keeping
Of the lights along the shore.

Refrain:

Let the lower lights be burning!
Send a gleam across the wave!
Some poor fainting, struggling seaman
You may rescue, you may save.

Dark the night of sin has settled,
Loud the angry billows roar:
Eager eyes are watching, longing,
For the lights along the shore. [Refrain]

Trim your feeble lamp, my brother!
Some poor sailor, tempest-tossed,
Trying now to make the harbor,
In the darkness may be lost. [Refrain]

I SEE A HERO

Text and music by Shawna Edwards

Did you dream you'd be a hero someday
Who would grow up and change a world someway?
Well, the world you've changed is mine, it's true
And I wish you could see who I see in you

(Chorus)

I see a hero, I see a light
Living by faith every day by my side
I see a hero, I see a star
Showing the way just by being who you are
Best of all I see, who I hope to be
A hero like you are to me

Every truth you teach, the prayers that you say
That will never be lost or fade away
All the hours you spend just being my friend
Are heroic and brave in every way

(Congregation join in for chorus)

I see a hero, I see a light
Living by faith every day by my side
I see a hero, I see a star
Showing the way just by being who you are
Best of all I see, who I hope to be
A hero like you are to me

Oh, you are a hero to me
