

### Love your Life

Love your life you won't get another chance  
 Wake up each day and be ready to dance  
 Dance to the music of life listen with your heart  
 Remember everyday you have is a brand new start  
 You can make your life full of purpose everyday  
 Let's celebrate this life as if each day is a holiday  
 We all have times come along when life will bring us down  
 Hold on, have faith remember good times do come back around  
 Give thanks every day for the challenges you may face  
 One chance at life, make it one you will want to embrace
