

God took a look around his garden
and found an empty place

He took a look upon the earth and
saw your tired face

He put his arm around you and lifted you to rest

God's garden must be beautiful

FOR HE ONLY PICKS THE BEST!

God knows that you were tired

and cure was not to be

So He closed your weary eyelids

and whispered come to me

With tearful eyes we watched you and saw you slip away

Although we **LOVED YOU DEARLY**

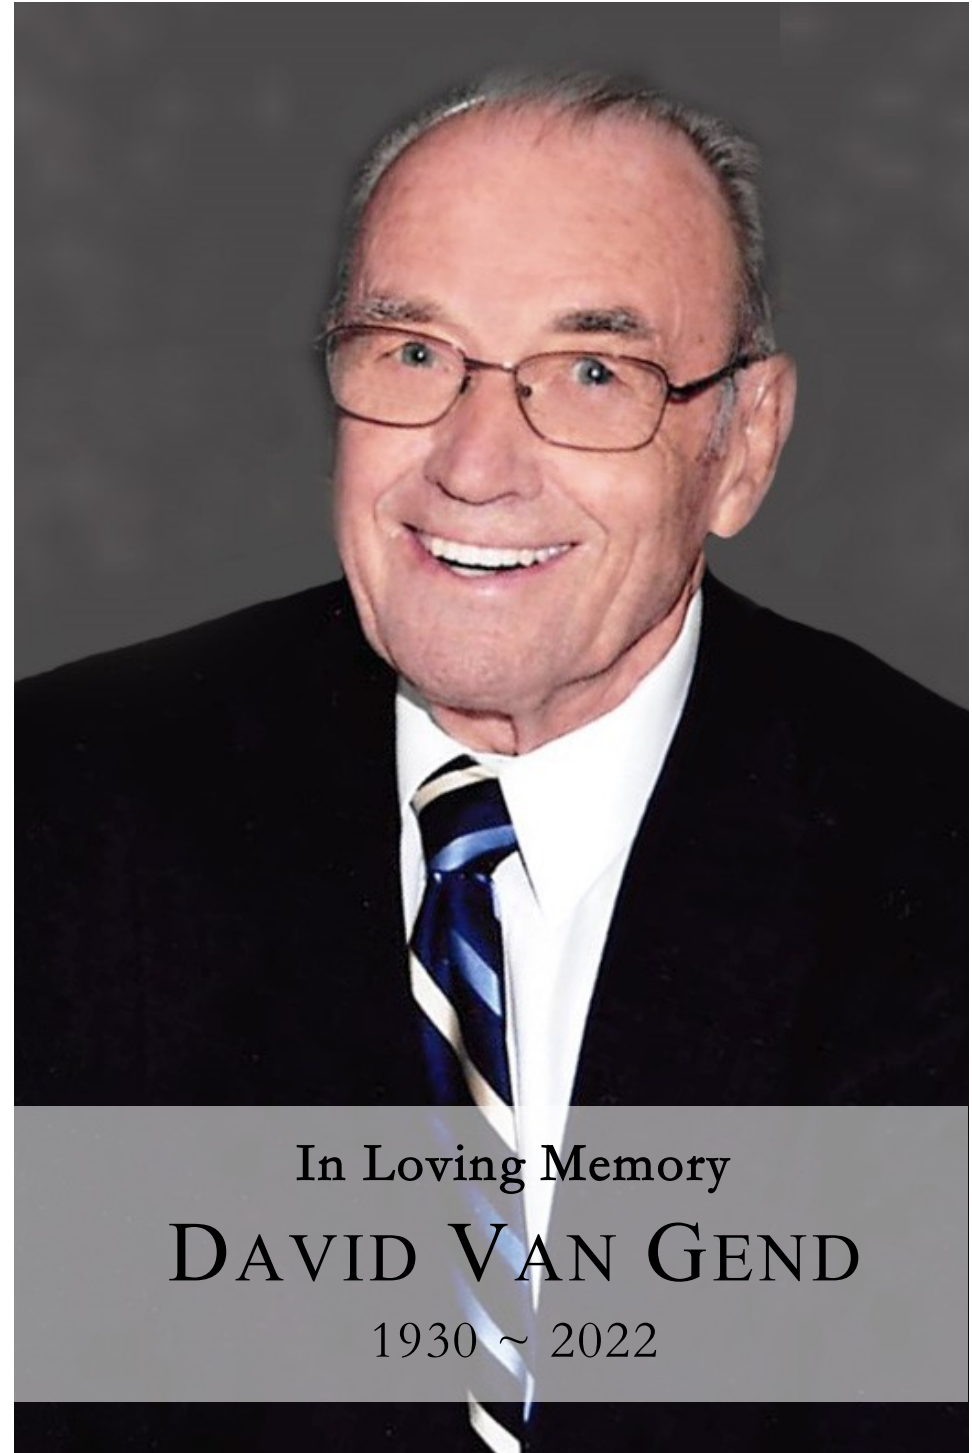

we knew you could not stay

IT BROKE OUR HEARTS TO LOSE YOU

but you never went alone

Part of **US** went with you,

when *God* had called you home.
