

Home

*Take pause for just a moment
And look up to the skies
I want to show you heaven
As seen through joyful eyes*

*The moment I arrived here
I saw the sweetest sight
All those who'd gone before me
Surrounded by His light*

*They reached out and embraced me
And instantly I knew
That I'd fulfilled my purpose
And one day you will too*

*It's natural you are sad now
But try to let that go
There's overwhelming peace here
And beauty all aglow*

*We have no pain or suffering
No thought of right or wrong
No one here's an outsider
Each one of us belongs*

*There is no sense of judgment
His light reveals our soul
Each one unique and perfect
We make each other whole*

*So when you really miss me
Just cast your eyes above
Remember, I am home now
And sending you my love....*
