Welcome to
a Celebration of Life Gathering
In Honor of
DeWayne Thompson

DeWayne was never one for a formal event. In fact, such events could cause him to get fidgety and whistle lightly under his breath. He enjoyed more casual get togethers like spending time with family and friends, golfing, and watching all kinds of sporting events.

In his spirit, we ask you to mingle, share some stories, and enjoy some food. For those of you who would like to say a few words there is a microphone available.

Thank you for your support and for being part of DeWayne's life.
