

## God Saw You Getting Tired

God saw you getting tired  
And a cure was not to be  
So he put His arms around you  
And whispered "Come to me"

With tearful eyes we watched you  
As you slowly slipped away  
And though we loved you dearly  
We couldn't make you stay

Your golden heart stopped beating  
Your tired hands put to rest  
God broke our hearts to prove to us  
He only takes the best
