

Dixie will never truly leave us.

She is in the memories that make us smile
and the quiet moments when we feel her the most.

Though we can't see or hold her, her love is still with us
every day, surrounding us, comforting us,
and reminding us that she will always be a part of us.

In Loving Memory

Dixie Lee Lawrence

1978 ~ 2026

With heavy hearts, but so much love, we gather to honor and
celebrate a life that meant the world to us. Though words can't fully
capture what they meant, we hold close the memories, the
laughter, and the love that will always stay with us.

May this time together bring comfort in knowing that Dixie will
never be forgotten and will forever live on in our hearts.
