

The Prince of Peace

Don Marsh

April 8, 2022, Don's last poem

i-My paradigm is shining bright

Within the midnight sky

He takes my hand as if he knew

The only way there was to Peace and Heaven

ii-He also knows the name

Of every child of God, I know not how

Of everything there is to know

And do today to find the very last soul

iii-The Prince of Peace Isaiah called him,

Great are the words of Isaiah

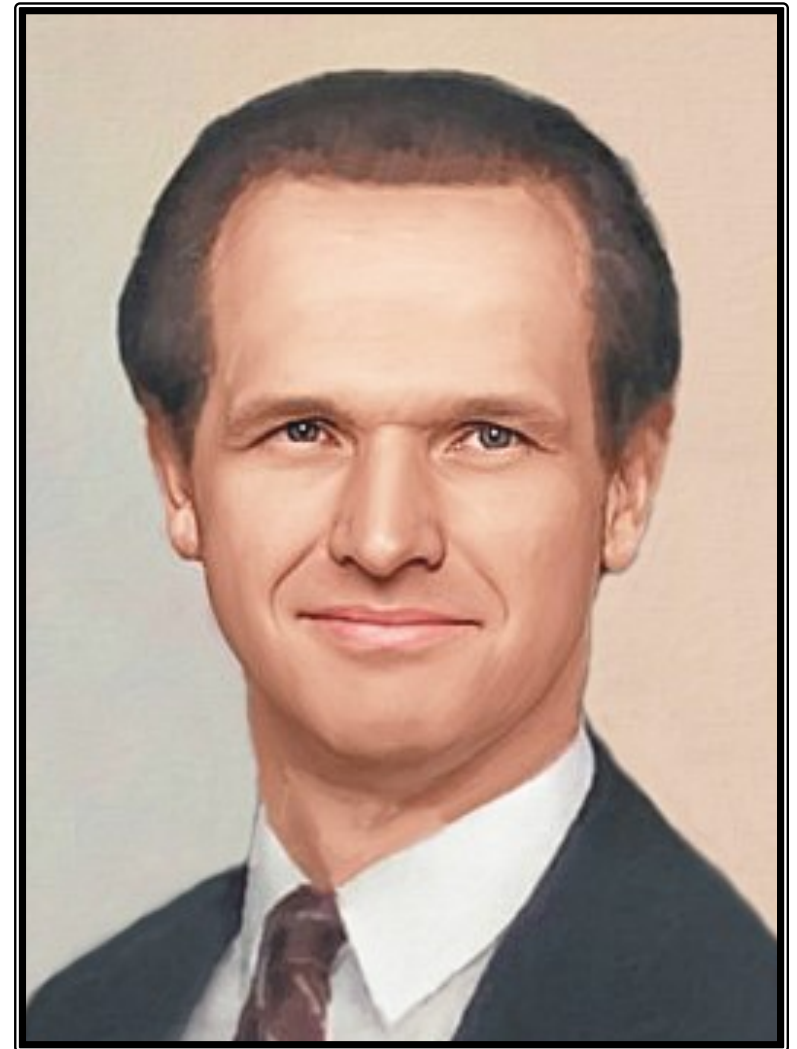

Surprising are the things

The latter-day Prophet brought

The Prince of Peace is everything at last

that stirs our soul

In Loving Memory
