### SET ME FREE

When I reach the quiet edge of life  
 And the light begins to fade,  
 Don't hold me with your sorrow....  
 I'm not lost, just gently made.

Think of me with love, not pain,  
 And let your heavy heart be light.  
 We shared a thousand moments....  
 That love still burns bright.

This path is mine to travel now,  
 And though I walk it on my own,  
 I carry every laugh we had....  
 No one truly goes alone.

So when the ache comes creeping in,  
 And the silence feels too loud,  
 Smile for me in sunshine,  
 Don't let grief be your shroud.

Miss me, yes-but let me fly.  
 Love lives on. It doesn't die.
